**ON THE COVER:** Bloomsburg's Floyd "Shorty" Hitchcock, who capped his college wrestling career by capturing the Outstanding Wrestler award at the 1974 National Collegiate championships at Ames. Hitchcock qualified for the meet by winning the 177-pound title at the Division II meet at Fullerton, Calif., the week before. "Shorty" repeated that performance in the Division I meet. The elementary education major had a career record of 84-7-2. In the summer of 1973 he won a silver medal at the World University Games, and he hopes to compete in the 1976 Olympics at Montreal. Hitchcock is now teacher and head wrestling coach at Shamokin (Pa.) Area High School, and is working on his master's degree.

# Cowboys Prep For Another Title Run, But Sooners And Cyclones Loaded Too

By **RUSS L. SMITH**

*Sports Editor, The Waterloo (Iowa) Courier*

The 1974 National Collegiate wrestling tournament started a half hour late, swirled through some 700 matches in three days and around 21 hours of wrestling, and the championship was decided in the final minute of the final match on the final day.

The dramatic finish was made possible by Oklahoma State. It's one thing to lose all eight Saturday matches, each one of which would assure the winner a higher finish in his weight class. But it's even more devastating when such a collapse as the Cowboys suffered last year at Ames set up cross-state rival Oklahoma for the championship.

Coach Tom Chesbro has taken some monumental strides to make certain that when the nation's mat elite gather next March at Princeton, the Cowboys are on top, not only first but last.

**CHESBRO ADDED UP HIS ASSETS** and noted that when wrestling practice starts again, he'll have back on the mat 56 of the 64 points which were good for third place in the meet last year.

But instead of propping his booted feet up on top of his desk, inserting thumbs in vest and tilting back in his chair with a self-satisfied smirk, Chesbro added two former national collegiate champions to his coaching staff and the troupe went out and signed a total of 11 outstanding high school wrestlers to national letters of intent.

Four of these recruits could realistically be mentioned among the top half dozen high school wrestling products turned out in the nation last year. Some of them, as freshmen in 1974-75, will surely turn out to pasture members of the Oklahoma State squad which scored or placed in the NCAA tournament last year.

*When the wrestling writers from across the country got together last winter to organize, they named Russ Smith the first president of the group, which calls itself Wrestling Media of America.*

*It wasn't the first time his peers had honored the Waterloo Courier sports editor. He won the Bob Dellinger Award as the wrestling writer of the year in 1963.*

*Sports editor since 1966 and Courier staffer since 1949, Smith grew up in the Waterloo-Cedar Falls hot-bed of wrestling, where a sports journalist HAD*

*to follow the sport. He became active on the collegiate beat in 1958.*

Defending champion Oklahoma isn't hurting for returning talent and is second only to Oklahoma State in that regard with 49 points back. The Sooners also feel they have signed another of those half dozen bluest of the 1974 blue chip preps.

**IOWA STATE**, which finished fourth one point behind Oklahoma State, returns 48 points. Iowa, which finished fifth, lost 18½ of its 48½ points, but has one of the nation's out-

standing young squads and the sixth member of the theoretical most talented half dozen recruits.

Runner-up Michigan was all but wiped out at season end. All but four and one half points of the 67 scored by the Wolverines have completed their eligibility and coach Rick Bay has resigned to enter business.

It was Iowa, the Big Ten champion, and Oklahoma State, the Big Eight champion, who were supposed to battle for the NCAA title last year at Ames' beautiful new Hilton Coliseum.

**BUT WHEN IT CAME DOWN** to the heavyweight championship match, Michigan, the Big Ten runner-up, and Oklahoma, the Big Eight runner-up, were the two contenders. Michigan had the last chance.

Heavyweight Gary Ernst, who had placed fourth in the 1973 NCAA meet, had only to repeat a Midlands tournament victory over Jim Woods, the Division II champion from Western Illinois, to give the Wolverines the team title by a 71-69½ margin over the Sooners. But Woods waited until the last minute to score a 9-5 decision and deprive Michigan.

Eastern fans will see only two defending champions next year at Princeton, but one of them, Pat Milkovich, will be trying to put another leg on becoming the first collegian ever to win the ultimate — four NCAA crowns. The Michigan State 126-pounder came off the 1973 injured list to win his second title in 1974. But he admits it was a hard pull, which means he could make his 1975 bid at 134 pounds.

Sooner sophomore Rod Kilgore, whose last-second victory over Minnesota junior Larry Zilverberg proved to be the decisive factor in Oklahoma's title bid, is the other 1974 champion due to return.

**DAN MUTHLER OF NAVY**, the 142-pound winner in 1973, will be a senior in 1975. He was one of four defending champions going into the 1974 meet who did not repeat. Another was 134-pounder Don Rohn of Clarion State who will still be only a junior next March. Rohn was third in 1974.

What has Chesbro done in an attempt to thwart all of the excitement caused by the close 1974 finish?

The Cowboy returnees include Billy Martin, Big Eight champion and NCAA runner-up at 126; Big Eight champion Steve Barrett at 134 and Big Eight champion Rick Jones at 177 among others.

But Chesbro wasn't satisfied to stand pat.

First he signed a couple of Stillwater, Okla., businessmen, Dwayne Keller, former two-time NCAA champion for the Cowboys, and Dave Martin, a 1970 champion at Iowa State, as part-time coaches.

It wasn't much of a coup for Martin to induce his brother, Paul, who left Algona, Iowa, with three state high school championships and 90 consecutive victories, to sign an Oklahoma State letter.

**MARTIN IS ONE OF THE NATION'S** most illustrious 1974 high school wrestling grads, but so are Jim Jackson and Daryl Monasmith and David McQuaig, who also were slated to enroll at Oklahoma State this fall.

Jackson was the Michigan heavyweight champion with 42 straight victories and 39 falls this past year. Monasmith, a 177-pounder, is a three-time state champion out of Burlington, Colo., and McQuaig is the two-time most outstanding high school wrestler in Oklahoma with a 51-0 record the past two seasons. A 167-pounder, his only loss the past couple of years was in a freestyle match against Monasmith.

Accompanying Monasmith will be Burlington High teammate, Doug Thompson, who also is a three-time Colorado champion. He's a 134-pounder.

There are a half dozen other talented recruits including three-time Oklahoma prep champion John Powell, who is a 126-pounder.

So much for a team that really has only two positions to fill. The 118-pound berth could be covered adequately by current squad members. Rick Reed is 5-8 tall by 118 pounds and some consideration has been given to inserting him at 126 and getting Martin down to 118 which is more commensurate with his 5-4 frame.

**OKLAHOMA'S BIG LOSS, OF COURSE**, is Breece, who was one of the two athletes graduating this year after placing four times in the NCAA tourney.

In addition to Kilgore, the Sooners have Jeff Callard, runner-up at 167, and Brian Beatson, sixth-placer at 142, returning.

Abel, a 1959 and 1960 Oklahoma national champion who returned to coach at his alma mater two years ago, admits problems in the upper middle weights, starting at 150. The presence of two-time Oklahoma state high school champion Kevin Young could help ease these problems.

Iowa appears to have gotten another premiere prep in heavyweight John Bowlsby, who hasn't lost to a United States wrestler the past two years while earning two Iowa high school and two U.S. Federation junior championships.

The Hawkeyes blossomed into pre-meet favorites last year after their big victory over Michigan in the Big Ten meet, from which they qualified their full squad. Their fifth place finish could be a blind covering the Hawkeyes' real potential in 1975.

They appear to have their losses well covered and expect to field a team next season that will include no more than one senior. The senior, Dan Holm, has garnered a pair of thirds at 150 and 158 pounds in the past two years.

**THE HAWKEYES HOPE TO HAVE** Keith Mourlam back at 118 pounds. He was felled by scholastic ineligibility at the semester. But, just in case, Iowa has recruited Mark Mysnyk, two-time New York state champion.

Junior college transfer Ed Herman of Des Moines will battle sophomore Greg Stevens at 190 pounds. Stevens, as an Iowa freshman last spring, qualified for the United States junior freestyle team that toured Europe. His teammates included three other present or would-be Hawkeyes - Brad Smith, Iowa's regular 142-pounder; Chris Campbell and Bowlsby.

Campbell, one of the nation's outstanding collegiate freshman wrestlers, went into the NCAA meet last year as Big Ten champion, was accorded the third seed and failed to win a match.

With the defeat went Iowa's hopes of battling for the tournament championship, but not Campbell's promise for the future.

Host Iowa State's only championship match entry was a freshman, Bob Holland, who took on one of the biggest assignments of the finals and deported himself admirably.

**HOLLAND FACED JERRY HUBBARD OF** Michigan, a Joliet, Ill., native who went into the 150-pound finals as a three-time Big Ten champion who placed third, second and first in three previous NCAA tournaments. Hubbard walked away with a 14-7 victory and his fourth NCAA ribbon, but not before Holland scored the match's initial takedown.

The Cyclones lost a 1973 runner-up at 126 pounds when Ron Glass quit the squad in February after being plagued by an injury. Since the NCAA tournament coach Harold Nichols' long-time assistant and protege, Les Anderson, a two-time Iowa State NCAA champion, has moved on to assume the head coaching position at the University of Washington.

Al Nacin, a runner-up at 177 pounds in 1971 as a freshman, and fifth at

## Helms Foundation Amateur Wrestling Hall Of Fame

The Amateur Wrestling Hall of Fame was established by the Helms Athletic Foundation of Los Angeles in 1957 with an original selection of five wrestlers, nine coaches and one contributor.

Since 1957 annual elections to the Hall of Fame have been held. With the announcement of six additions for 1974, the total number to be honored for their outstanding contributions to the sport is now 140, including 64 wrestlers, 53 coaches and 23 contributors.

Elections to the Amateur Wrestling Hall of Fame are made by the Helms Hall Board as a result of recommendations made by the Amateur Wrestling Hall of Fame Committee, headed by Jess Hoke of Amateur Wrestling News.

A permanent trophy for amateur wrestling is maintained in Helms Hall and members of the Hall of Fame whose names are inscribed thereon are as follows:

190 in 1973, was taken down by BYU's Ben Ohai in the final seconds of their semifinal match this year at 190 for an 8-7 defeat. He still will be going after a fourth straight NCAA ribbon next year, possibly back at 177 pounds.

The Cyclones also saw a minimum of three and one-half points flit out the window in one of the bizarre controversies that marked the meet.

In a 126-pound consolation semifinals match, Bob Antonacci's hand was raised in victory over Penn State's John Fritz after an overtime match in which the score remained tied. Ten minutes later the wrestlers were recalled to the mat and the Iowa State wrestler was informed that an error had been made and Fritz was declared the winner.

Fritz went on to finish third and Antonacci, the Cyclone sophomore, had to settle for fifth. It was explained that one of the judges wishing to vote for Fritz had circled the ankle band color worn by Antonacci.

With two of last year's top six team finishers due to be under new coaches this year, recruiting help for them will be problematical.

Assistant coach Don Pleasant saw Washington to the Pacific-8 Conference title after Jim Smith had resigned the head coaching post in January. Pleasant will also serve as assistant under Anderson.

**THE HUSKIES WILL HAVE 26 OF THEIR 44** points returning and the real key to their future may be 150-pounder Tom Brown. He won the Pac-8 title in both his freshman and sophomore years and finished third in the NCAA both times. Rich Calderon, a fourth-place finisher at 190, is also back.

Jim Brown, 118, and Bill Schuck, 142, account between them for all of the four and one-half points the Wolverines have returning.

Biggest gap, of course, will be at 150 where Hubbard has reigned for four years. The new candidates are John King, a former Illinois state champion, and two-time Michigan class C winner, freshman Fred Boss. Three Wolverine football players who had high school wrestling experience are being mentioned as successors to Ernst at heavyweight, but the job could well be filled by national junior college runner-up Mitch Marsicano.

One of the strongest returning contingents is Penn State's which lost only two points from the 43 the Nittany Lions scored for seventh place this year. The returnees include three place winners - Fritz, third at 126; Charlie Getty, third at heavyweight, and Jerry Villecco, fourth at 158.

Freshman Jerry White, a 177-pounder, went undefeated in dual meets last year but didn't advance beyond the second round of the NCAA tournament where he was hampered by a late season injury.

**OREGON STATE, WHICH SLIPPED FROM** second to eighth, returns 10 of its 39½ points, all scored by freshman heavyweight Larry Bielenberg.

Lehigh returns 15 of the 35 points that made it ninth this year including Mike Frick, who was fourth at 126. He was an Eastern Intercollegiate champion as was Terry DeStito at 177, who was seeded fourth this year in the NCAA but did not place.

The Engineers have recruited Mark Lieberman, a three-time national prep champion from Blair Academy. He is expected to compete at 167 pounds.

Tenth place Slippery Rock has 25 of its 33½ points returning including Jack Spates, runner-up at 118 pounds and Bill Shuffstall, sixth at 190. One of the more promising recruits is Jay Spates, Jack's brother.

Slippery Rock and Clarion, former Division II teams, are joined now by Cal Poly, which has won the Division II title seven years in a row. The Mustangs return six Division II place winners, but only 150-pounder Rodger Warner placed in the Division I meet.

**MICHIGAN STATE, ONE OF THE ONLY TWO** Big Ten teams ever to win the NCAA wrestling championship, will return eight of its 10 regulars including Milkovich. Minnesota, in 16th place and the fifth Big Ten team in the top 16, has Zilverberg, one of the seven 1974 runners-up who is still eligible.

Meanwhile, the Wrestling Committee has acted to avert the controversy that delayed the opening of the meet. The committee has recommended that weigh-ins prior to the start of the tournament in the future be conducted the day before the tournament opens, rather than the first day.

To qualify for the tournament a wrestler will have to appear then and make weight. The weigh-in, thus, will constitute verification of an entry.

**NATIONAL WRESTLING CHAMPIONS—1974:** L-R, front—Breece (Oklahoma), Mikovitch (Mich. State), Sculley (Lehigh), Lawinger (Wisconsin), Hubbard (Michigan); back—Kligore (Oklahoma), Wyn (Western Mich.), Hitchcock (Bloomington St.), Strobel (Oregon St.), Woods (Western Ill.).

## NATIONAL COLLEGIATE CHAMPIONSHIPS

# Opportunity Knocked On Many Doors, But Only Oklahoma Answered The Call

By J. CARL GUYMON

Sportswriter, *The Daily Oklahoman*

The 1974 National Collegiate Division I tournament may be remembered as the tournament nobody could win, although four teams had golden opportunities to do so as late as Saturday evening.

But Oklahoma's astonishing Sooners were the only ones to answer opportunity's knock, carting off a pair of individual titles, and, after an agonizing wait until Michigan heavyweight Gary Ernst succumbed to a last-minute rally by Western Illinois' Jim Woods, toted the team trophy back to the Norman campus for the first time since 1963.

The Sooners' 69½ points shaded Michigan, which had 67. At 64 was Oklahoma State, which entered the meet with more balance than any team but suffered an unbelievable Saturday collapse and failed to score after Friday night's session.

**EIGHT TIMES SATURDAY A COWBOY** took the mat and came off empty handed, including finals losses at 126 and 142. But the finals defeats were rather expected. Six consecutive consolation defeats doomed the Cowboys to finishing one point ahead of defending champion and host Iowa State.

As is typical of most recent national tournaments, the semifinals produced the most exciting action, even though the record finals crowd of 13,300 jamming Hilton Coliseum had plenty to keep them occupied.

Before it was all over, one of the most spine-tingling team fights in history had been waged. For the first time in nine years, the team crown was decided on the final bout of the tournament. For the first time in 20 years — maybe in history — four teams had a mathematical chance to claim the coveted trophy going into the finals.

*A year after rejoining *The Daily Oklahoman* sports staff in 1971, J. Carl Guymon was given*

*"the privilege of trying to replace the dean of wrestling writers," Bob Dellinger.*

*During his tenure on the wrestling beat, the 1967 Oklahoma State graduate has covered three NCAA tournaments, six Big Eight meets, plus USWF national tournaments.*

*Guymon began at the Oklahoman in 1968, working on the state staff, city desk and then sports before a three-year stint as a Marine artillery officer.*

*The Oklahoma Amateur Sports Association named him "wrestling writer of the year" for 1974.*

Of six defending champions, only two—Michigan's Jarrett Hubbard and Oregon State's Greg Strobel—repeated their 1973 championships.

**YOU COULD** make that three if you include 126-pound king Pat Milkovich, who beat Oklahoma State's Billy Martin, 5-2, in the finals. Milkovich won the crown in 1972 then missed all of the 1973 year with a knee injury.

The rules committee was given a weighty matter to consider before the first

bout was wrestled when 10 performers, including seven from Colorado State, failed to officially enter the tourney before the deadline. All were permitted to compete but not to count in team scoring.

Oklahoma, however, emerged through it all as the only team which performed up to its capability. The only blemish on the Sooners that chilly Saturday night was Jeff Callard's 5-2 loss to Western Michigan's Doug Wyn in the 167-pound finale.

Callard and Michigan's 240-pound Ernst put their respective teams in position to vie for the team title with stunning semi-final victories.

**CALLARD HAD BEATEN CLARION STATE'S** muscular Bill Simpson, 1-1, 5-1, in the semis. Ernst, trailing Oklahoma State's Tom Hazell, 1-0, with 43 seconds left in overtime, reversed and rode out to toss 10 big points on the board for the Wolverines.

At the time, nobody realized just how big those points were. Had Hazell hung on, the tournament was over. The Cowboys would already have had 73 points.

Those weren't the only semifinal shockers, however. Clarion's other defending titlist, 134-pounder Don Rohn, lost a 5-4 verdict to Jim Miller when the Northern Iowa youth escaped with one second left.

Iowa State 190-pounder Al Nacin saw a 7-5 lead melt in the final 10 seconds when Brigham Young's Ben Ohai escaped then took down Nacin with one tick left on the clock.

So, when the finals began, Oklahoma had 61½ points, Michigan 63 and Oklahoma State led with 64. The Cyclones had 63, but were through.

OU's Gary Breece's escape 17 seconds into the third period of 118-pound finale gave him a 3-2 triumph over Slippery Rock's lanky Jack Spates, who carried a 37-0 record into the fray.

**THAT GAVE OU THE LEAD.** Milkovich dented OSU's chances with a nifty fireman's carry for a takedown and two-point near fall against Martin 30 seconds before the first period ended. The 4-0 lead was plenty, and despite a stalling penalty, Milkovich won easily, 5-2.

Miller was the victim of a narrow margin this time, losing a 4-3 nod to Lehigh's Tom Sculley after trailing, 4-1. At 142, Oklahoma State's last gasp was quickly smothered when Wisconsin strongboy Rich Lawinger manhandled Steve Randall. The 8-2 victory was especially sweet for Wisconsin rooters, who previously had never had an NCAA champion.

Lawinger's old 150-pound nemesis, Hubbard put Michigan briefly into the driver's seat with a wild, 14-7 triumph over Iowa State's super freshman, Bob Holland. The slick, quick Hubbard trailed 2-1 before firing for four takedowns, including a five-point maneuver, to polish off his second straight title. He joined Breece as the only four-time national medalist since freshmen were given varsity eligibility.

**HUBBARD'S WIN ALSO GAVE MICHIGAN** 67½ points with Ernst in the wings. Oklahoma's sophomore, 158-pound ace Rod Kilgore, erased that lead in the very next bout, however, in a sizzling duel with Minnesota's Larry Zilverberg.

Zilverberg trailed, 5-3, with 90 seconds remaining but dove in for a takedown, yielded a reverse five seconds later then quickly squirmed back on top to tie the match, 7-7. But the stocky Kilgore executed a perfect switch with six seconds left for a 9-7 victory.

But the end was ever so long in coming for the Sooners. They lost their chance to clinch the championship with no questions asked when Wyn beat Callard. Even that was extremely close.

At 177, Bloomsburg's Floyd "Shorty" Hitchcock decided before the finals that he would change his strategy a bit against Washington's top-seeded Mel Renfro, who had beaten Hitchcock, 5-3, in the East-West match a month earlier. Hitchcock altered his stance and suddenly found that he was taking Renfro to the mat instead of vice-versa.

Four times he decked the Husky senior. And he decked the other nine champions, too, when he was named the meet's outstanding wrestler.

Strobel, who won that award in 1973, made certain Ohai could not pull another stunning rally as he had done in the semis. With machine-like precision, he set up, took down and rode the BYU senior for a period and a half. He led, 4-2, after Ohai countered with a takedown but finished with a flourish, taking Ohai down with eight seconds left.

But the drama had reached a crescendo when Woods and Ernst strode to the mat. Woods had been impressive in early matches, pinning No. 1 seed Charles Getty of Penn State. But did Woods have the stamina Ernst had displayed in outlasting Hazell?

The answer came in the final minute. Woods trailed, 4-3, but suddenly overwhelmed Ernst with a bull-like takedown, turned the Michigan lad for a two-point near fall and coasted home a 9-5 winner, yielding an escape then taking down Ernst again.

The tournament-ending buzzer sent OU second-year coach Stan Abel and squad into a frenzied celebration that was in sharp contrast to the gloom in the Michigan camp.

That gloom spread to the entire Big Ten Conference, which had high hopes of wresting the title away from the Big Eight triumvirate. And, naturally, some of the gloom rubbed off on Oklahoma State and Iowa State, who could sit back and recount near miss after near miss during the meet.

## NATIONAL DIVISION II CHAMPIONSHIPS

# Mustangs Keep Winning String Intact But Make Abdication Plans For 1975

By STEVE JONES

Assoc. Sports Editor, *The Anaheim (Calif.) Bulletin*

In a year that saw one California athletic dynasty slide, Cal Poly San Luis Obispo showed no signs of relinquishing its iron grip on the National Collegiate Division II wrestling crown.

UCLA's basketball Bruins had to settle for a third, but coach Vaughan Hitchcock's Mustangs swept to their seventh straight—eighth in nine years—Division II crown with a record 131½ team points. The perennial mat champs placed an amazing nine men in the 12th annual tournament held at California State-Fullerton.

But several months after the championships, Cal Poly voluntarily broke the string. The school's athletic department declared wrestling as a Division I sport, and the Mustangs will no longer compete in Division II. The title will be open to the most opportune next March.

**SLO CLEARLY DOMINATED** the championships. The Mustangs advanced nine men to the semi-finals, put five into the finals and captured two individual crowns to go with the team title.

Cliff Hatch (148) and Keith Leland (190) won championships for the Mustangs. Other SLO place winners were Grant Arnold (134), Rodger Warner (150), Bruce Lynn (167), second; Sythell Thompson (177), third; Leon Iannarelli (126), fourth, and Guy Greene (118) and Steve Gardner (142), who finished fifth for individual honors.

Contenders for Cal Poly's vacated throne in 1975 could come from a number of teams represented at Fullerton. Northern Iowa, the runner-up team, scored 95½ points, a record for a second place finisher, and individual honors were spread around.

Northern Iowa led in the number of individual titlists with three, SLO and Bloomsburg State had two each while Old Dominion, East Stroudsburg and Western Illinois produced the other three.

**BLOOMSBURG'S** Floyd Hitchcock, the 177 champ, was named most outstanding wrestler of the meet; 150-pound winner Bill Luckenbaugh of East Stroudsburg took most-fast-ets pin honors (four in 10:14 minutes), and Southern Illinois' Larry Chris-

ty was named the Division II coach of the year.

Following Cal Poly and Northern Iowa in the team standings were Southern Illinois-Edwardsville, North Dakota State, Bloomsburg State, Mankato State, East Stroudsburg, Old Dominion, Cal State Bakersfield and San Francisco State rounding out the top ten.

The tourney, which was the first California-hosted meet since Cal Poly staged—and won—the 1969 finals, went pretty much according to the form charts. Only one non-seeded grappler, Bill Burnside of Tennessee-Chattanooga, advanced as far as the final round.

**BURNSIDE SURPRISED DEFENDING** 126-pound champ, Phil Reimnitz of North Dakota State, 5-0, in the semi-final match but lost a 6-3 decision to Northern Iowa's Tom Garcia in the finals.

No. 1 and No. 2 seeds, however, ruled the meet for the most part, winning the crown in nine of the 10 weight classes. Fifth seeded Terrence Perdeu of Old Dominion, who captured the 118-pound title, was the lone exception. The top two seeds met for the crown in four cases.

Perdeu got into the finals the hard way. He had to re-wrestle Cal Poly's Greene, the top seed, after a malfunctioning clock erased Greene's 1-0 semi-final win. Perdeu won the rematch, 5-2, and went on to edge Brad Thompson of Mankato State, 6-5, to win the battle.

Jim Miller of Northern Iowa, who placed fourth at 134 last year and went in as top seed this time, proved the evaluation correct by sweeping to the title. Miller, who defeated SLO's Arnold, 6-2, in the finals, had only five points scored against him in the two days.

**THE LAST OF THE NORTHERN IOWA** champs was Ken Snyder who scored a 12-9 decision over top seeded Lee Peterson of North Dakota State in the 142-pound finals. Snyder, 142 runner-up a year ago, breezed to the title match on decisions of 10-0, 14-5, 11-5 and 12-2.

Luckenbaugh, the top seeded 150-pounder, picked up his fourth pin of the two-day meet at 3:18 of the championship match over Cal Poly's Warner. The East Stroudsburg pin artist's other falls came at 1:30, 50 seconds and 4:35. The lone decision was a 9-6 semi-final victory.

SLO's first individual title came at 158 pounds when Hatch, the No. 2 seed, edged top seeded Mike Engles of South Dakota State, 6-5.

Ron Sheehan of Bloomsburg State scored the second pin of the finals, a 6:56 victory over the top seeded Lynn of Cal Poly at 167. Sheehan, the No. 2 seed, was so delighted with his win he performed a series of flips leaving center stage to collect his hardware. The Bloomsburg strongman, who had a first-round bye, won all four of his matches by falls.

**HITCHCOCK MADE IT TWO IN A ROW** for Bloomsburg by decisioning top seeded Brad Rheingans of North Dakota State, 18-4, for the 177 title. The meet's most outstanding wrestler, who called the honor his biggest thrill in the sport, was overpowering, winning on three major decisions—he was the only one to do it in the championship round—and one fall.

Cal Poly's Leland, who was runner-up at 190 a year ago and the top seed at the weight in 1974, didn't let the crown get away this time. Leland wasted little time in scoring the quickest pin of the final round, a 1:50 victory over sixth seeded Jerry Washington of Southern Illinois.

Top seeded heavyweight Jim Woods of Western Illinois closed out the program with a 12-3 decision over Bill Van Worth of Humboldt State. Van Worth, the seventh seed, had earlier eliminated Northern Iowa's Randy Omgiv, last year's fourth place heavyweight and the No. 2 seed in 1974.

## NATIONAL DIVISION III CHAMPIONSHIPS

# Host Wilkes Romps To Win First Meet As Three Title Holders Lead The Way

By OWEN J. COSTELLO

*Columnist, The Wilkes-Barre (Pa.) Times-Leader-News Record*

"It was a long time coming, but we finally won a national championship," remarked a jubilant John G. Reese, wrestling coach at Wilkes College, after his team stormed through the inaugural National Collegiate Division III tournament to capture the team championship.

Wilkes, which hosted the event along with the City of Wilkes-Barre, is a small liberal arts college with an enrollment of 2,500 students located in the scenic northeastern section of Pennsylvania.

Its wrestling team has won the Middle Atlantic Conference CD title for the past six years, while making a habit of finishing among the top ten teams in NCAA CD toursneyes the last seven out of eight years.

**IN SEEING ITS DREAM OF WINNING** a coveted NCAA title become a reality, the Colonels completely dominated the tournament which attracted 60 teams and weighed-in a total of 255 wrestlers.

Leading the Wilkes contingent which saw eight out of its ten-member team place in the event were champions: John Chakmakas (134), Art Trovei (142), and Mike Lee (150). Second place laurels were captured by Rick Mahonski (118), Gene Ashley (158) and heavyweight Al Scharer.

Completing the astonishing showing were 134-pound Lon Balum, who secured third place, and 167-pound Jim Wisenfluh, who finished in fifth place. No other team had more than one winner, as Wilkes easily out-distanced its nearest rival John Carroll 135% to 86%.

Rounding out the top ten finishers were Montclair State, Brockport State, Ashland, Millersville, Lake Superior, Trenton State, Mount Union, Franklin and Marshall College.

*O. J. Costello promotes wrestling in the Wilkes-Barre area in more ways than one. In addition to writing a weekly wrestling column entitled "Pins and Predicaments" for the Times-Leader-News Record, he conducts a week-long wrestling clinic for the Wilkes-Barre Recreation Board.*

*As Director of Recreation for Wilkes-Barre, he promotes the sport in the entire area through a series of activities.*

*Costello also conducts an Eastern Collegiate Wrestling Poll for the newspaper, which ranks the top ten College wrestling teams in the East, and is working on a quarterly wrestling paper.*

Lake Superior State's Jim Fallis, who wrestled at 158 pounds, was selected the "Outstanding Wrestler" and also won the "Corriaran" award for the most pins in the least aggregate time, three in 9:45 minutes.

**JOHN CARROLL** head mentor, Anthony DeCarlo, was selected "Coach of the Year" among Division III teams.

At 118 pounds, Elizabeth town's sensational freshman, Eric Mast, locked horns with Wilkes year-

ling, Rick Mahonski, and the outcome wasn't settled till the final bell. Mast utilized two five point moves to hold off his opponent, 10-8.

Mast, seeded fourth, upset the tourney's No. 1 seed, Ed Alber of Montclair State in the semi-finals by showing him the lights. Mahonski advanced to the finals by upending No. 2 seed, Ashland's Ron Angello, in the afternoon, 10-4. Just a week earlier Mast had defeated Mahonski, 11-8, to win the MAC 118-pound title.

No. 1 seed Nabil Guketlov of Montclair State won handily over John Carroll's Alan Evangelista, 6-2, at 126 pounds.

Evangelista, seeded seventh, defeated Wilkes freshman, No. 4 seed Lon Bahum, in the quarter-finals, 7-6 and then stopped MIT's third seeded Ed Hanley in the semi-final.

**WILKES WON ITS FIRST GOLD MEDAL** in the 134-pound battle when John Chakmakas converted his No. 2 seed into a national title by defeating Mount Union's Rae McDonald. A second-period takedown gave Chakmakas a 3-1 victory for the crown.

McDonald reached the finals by upsetting Montclair State's favorite, Craig Spenser, 5-2 OT in the semi-final match. Chakmakas also went 1-0 OT in semi-finals against Brockport's Dave Foxen.

Art Trovei, who placed fifth in last year's College Division confab defeated Brockport's highly touted John Martellucci, 5-2, at 142 pounds to give Wilkes its second champion. Ironically, Martellucci had wrestled for Wilkes as a freshman.

Only a few minutes later Mike Lee joined his teammate in the winners circle, giving Wilkes its unprecedented third champion. Lee, who placed third in the 1972 NCAA CD tourney, utilized five takedowns to out maneuver John Carroll's Charles Beck 14-10 at 150 pounds.

**AT 158 POUNDS, JIM FALLIS** out muscled Wilkes' Gene Ashley, 12-4 to win his title. Ashley fell behind 5-0 in the first period getting caught in Fallis' overhead cradle and never was able to catch up.

In the 167-pound class the top four seeded wrestlers were upset in their quest for honors. In the end, No. 8 seeded Mike Van Boxel of Ripon prevailed over Trenton State's Bill Hays, 3-1.

Brockport's Frank Calabria, seeded eighth, upset tournament favorite, Elijah Witten of Ashland in the quarter-finals, 15-5, and then came from behind with a reversal to edge Augustana's Pat Cavanaugh, 6-5, to capture top individual honors at 177 pounds.

Calabria defeated Montclair's Steve Stellner in the semi-finals 3-2 to move into the final match.

Rich Molbury of Potsdam State outclassed Millersville's Jim Zoschg, 7-2, at 190 pounds to win the individual title in that class.

**THE ONLY MATCH THAT FEATURED** the top seeded wrestlers in the finals occurred at heavyweight where John Carroll's top seed, Joe Bertolone, pinned Wilkes' Al Scharer. Bertolone had almost an 80-pound weight advantage over his opponent.

Six underclassmen won national titles, and team champion Wilkes will return six out of its eight place winners next year. The only two freshman that made the finals were the 118-pound contestants.

Sixteen teams out of the sixty teams that participated in the event failed to score any points.

The 1975 Division III wrestling championships will be held March 7-8 at John Carroll University, Cleveland, Ohio.

# Rule 1

## A MATCH, WRESTLERS, UNIFORMS & EQUIPMENT

### A Match

SECTION 1. A match shall be conducted in each of the ten weight classifications [12 for High Schools] between wrestlers of the same weight class. Matches shall be eight minutes [six for High Schools] in length divided into three periods.

**Representation** SECTION 2. An institution shall be represented by only one wrestler in each weight class and no substitution is allowed for injured wrestlers in dual meets or tournaments.

**Team Captains** SECTION 3. Each team shall designate to the Referee one contestant as its Captain, who shall call the coin toss for choice of position for each weight class at start of second period. However, a team may be represented by more than one individual.

**Persons Subject To the Rules** SECTION 4. All wrestlers, coaches, trainers, and other persons affiliated with the teams are subject to the rules and shall be governed by the decisions of the officials.

### Mats

**Dimensions** SECTION 5. The wrestling area of the mat shall not be less than a square 24 feet by 24 feet or a circular area 28 feet in diameter. All new mats shall have a wrestling area not less than a square 32 feet by 32 feet or a circular area 32 feet in diameter. There shall be a mat area of

RECOMMENDED MAT SIZES

*Minimum mat size provides for a circle with a diameter of 28 feet as a legal wrestling area or a 24-foot square wrestling area with a mat area of approximately five feet in width which extends around the wrestling area proper. Any new mats purchased shall conform to Figures A or B.*

approximately five feet in width which extends entirely around the wrestling area. The entire mat area shall be the same thickness which shall not be more than four inches nor less than the thickness of a mat which has shock absorbing qualities of a two-inch thick hair felt mat.

#### HIGH SCHOOL MODIFICATION

The mat area includes the wrestling mat and a space 10-feet wide completely surrounding the mat as well as the team benches and officials table.

If a mat cover is used, it is recommended that it be sufficiently large to cover the mat proper and all supplementary mats, or laced underneath the mats. The wrestling area shall be marked on the mat cover or mat by painted lines two inches in width. At the center of the mat there shall be similarly painted a circle 10 feet in diameter, and it is recommended a different color be used than that for the boundary line. An area on the opposite sides of the 10-foot circle shall be designated by means of a 12-inch portion of the circle's arc on one side in green and directly opposite a similar portion of the arc in red. Contestants in starting the match and resuming wrestling in a neutral position will return to their respective designated areas. (Home—green, Visitor—red.)

**Starting Lines**

SECTION 6. There shall be placed at the center of the cover or mat, two one-inch *starting lines*, one of which lies in the diameter of the 10-foot circle, three feet in length and 10 inches apart. (See diagram above.)

## Wrestlers

**Limitations**

SECTION 7. No contestant shall be permitted to represent his institution in more than one weight class in any meet.

**Forfeits**

SECTION 8. A contestant may not accept a forfeit in one weight class and compete in another class.

**Shift Weight Class**

SECTION 9. A contestant who weighs in for one weight may be shifted to a higher weight class. (See High School Modification, Rule 3, Sec. 3, Note 3.)

## Uniforms and Equipment

**Uniforms**

SECTION 10. The uniform shall consist of either:

- Full length tights, close fitting outside short trunks, and sleeveless shirt without fasteners at the shoulder and fastened down at the crotch. Shirts shall not be cut away in excess of the shirt illustrated in Figs. 1 and 2 (picture of legal shirt, back and front view). The front and back of the shirt shall not be cut lower than the level of the armpit and under the arms the shirt shall not be cut lower than one-half the distance between the armpit and the belt line.
- Properly cut one-piece uniform is optional. This uniform must meet all requirements listed for the shirt and will also have a minimum of four-inch inseam at the legs.

- c. Light heelless gymnasium shoes reaching above the ankle and laced by means of eyelets.
- d. A protective headgear.
- e. In all tournaments, the home management shall have immediately available some means for clearly identifying the contestants. Such provisions may consist of red and green anklets approximately three inches wide.

**Appearance**

SECTION 11. Contestants shall be clean-shaven, free of mustaches, sideburns trimmed no lower than ear lobe level and hair trimmed and well groomed. Because of the body contact involved, this rule has been approved in the interests of health, sanitary and safety measures. The hair in the back shall not extend below the top of an ordinary shirt collar and on the sides the hair shall not extend below ear lobe level.

**Special  
Equipment**

SECTION 12. Any mechanical device which does not allow normal movement of the joints and prevents one's opponent from applying normal holds, shall be barred. Any legal device which is hard and abrasive, must be covered and padded. Artificial limbs and loose pads are prohibited. The use of special medication during a match or time-out because of a pre-existent condition such as asthma, diabetes, etc., shall result in disqualification.

**Enforcement**

- SECTION 13. a. The legality of all equipment (mat markings, uniforms, headgear, devices, pads, etc.) and contestant's appearance shall be decided by the Referee.
- b. The Referee shall also determine whether each contestant has complied with specified health, sanitary and safety measures as to appearance. These shall constitute the sole reasons for disqualification, and application of this rule shall not be arbitrary or capricious.

# Rule 2

## DEFINITIONS

### **Decisions**

SECTION 1. If no fall has resulted after expiration of the three regular periods of any match as provided in Rule 4, Sec. 3, the Referee shall award the match to the contestant who has scored the greater number of points as provided by the point system in Rule 5, Sec. 2. If there is a tie in the number of points scored, the Referee shall declare the match a draw in dual meets. (See Rule 4, Sec. 5b for tournaments.)

### **Default**

SECTION 2. A default is awarded in a match when one of the wrestlers is unable to continue wrestling for any reason. (See Rule 4, Sec. 11.)

### **Disqualification**

SECTION 3. Disqualification is a situation in which a contestant is banned from participation in accordance with the Penalty Chart.

### **Escape**

SECTION 4. An escape occurs when the defensive wrestler gains a neutral position and the offensive wrestler has lost control while the supporting points of either wrestler are within the wrestling area.

### **Fall**

SECTION 5. Any part of both shoulders or area of both scapulas held in contact with the mat for one second constitutes a fall. The one-second count (one-thousand-and-one) shall be a silent count by the Referee and shall start only after the Referee is in such position that he can observe that a fall is imminent after which the shoulders or scapula area must be held in continuous contact with the mat in-bounds for one second before a fall is awarded. (See figure 15.)

- a. A fall shall not be awarded when one or both shoulders of the defensive wrestler are out-of-bounds. (See Sec. 8 this rule.)
- b. If either wrestler is handicapped by having any portion of his body out-of-bounds, no fall shall be awarded and out-of-bounds shall be declared.
- c. When the match is stopped for out-of-bounds in a fall situation, the match shall be resumed in the starting position on the mat. (See Secs. 11 and 14 this rule.)

**HIGH SCHOOL MODIFICATION**

Two seconds constitutes a fall. The two-second count (one-thousand-and-one, one-thousand-and-two) shall be a silent count by the Referee.

**Forfeit**

SECTION 6. A forfeit is received by a wrestler when his opponent, for any reason, fails to appear for the match. In order to receive a forfeit, a wrestler must be dressed in wrestling uniform and appear on the mat. (See Rule 3, Sec. 7 and Rule 4, Sec. 11b.)

**Neutral Position**

SECTION 7. A neutral position is one in which neither wrestler has control.

**Out-of-Bounds**

SECTION 8. Contestants are considered in-bounds if the supporting parts of either wrestler are inside the boundary lines. A wrestler's supporting points are the parts of the body touching the mat which bear the wrestlers weight, other than those parts with which he is holding his opponent. When down on the mat, the usual points of support may be hands, feet, the knees, the side of the thigh and the buttocks. Wrestling shall continue as long as the supporting parts of either wrestler remains in-bounds, however, near-fall points or a fall may be earned only while the shoulders of defensive wrestler are in-bounds.

**HIGH SCHOOL MODIFICATION**

The defensive wrestler's head or shoulders is specified as a supporting part when he is in a near fall situation.

**Position of Advantage**

SECTION 9. A position of advantage is a position in which a contestant is in control and maintaining restraining power over his opponent. Control is the determining factor. The failure of the offensive wrestler to get his head out from the defensive wrestler's arm does not necessarily prevent the offensive wrestler from having control. The offensive wrestler is entitled to this advantage until such time as his opponent gains a neutral position or a reversal. (See Secs. 4, 7, 8 and 12 this rule.)

**Near-Fall**

SECTION 10. a. A near-fall is a position in which the offensive wrestler has control of his opponent in a pinning situation with:

- (1) Both shoulders of the defensive wrestler held momentarily (stopped) within 4 inches of the mat or less, or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held at an angle of 45 degrees or less with the mat. Two points shall be awarded for such near-fall situations. A continuous roll-through is not to be considered a near-fall.
  - (2) The criteria for a near-fall having been met uninterrupted for five seconds, three points shall be awarded. Whenever possible a visual hand count is to be used in determining a three-point near-fall.
- b. A near-fall is ended when the defensive wrestler gets out of a pinning situation. The Referee must not signal the score for a near-fall until the situation is ended and only one near-fall shall be scored in each pinning situation regardless of the number of times the offensive wrestler places the defensive wrestler in a near-fall position during the pinning situation.

Only the wrestler with the advantage, who has his opponent in a pinning situation, may score a near-fall. Bridgebacks in body scissors or bridgeovers with a wristlock are not considered near-fall situations even though a fall may be scored.

When the defensive wrestler places himself in a precarious situation during an attempted escape or reversal, a near-fall shall not be scored unless the offensive wrestler has control

DEFINITIONS

of and has definitely restrained his opponent in a pinning situation beyond normal reaction time.

**Resumption of Wrestling After Out-of-Bounds** SECTION 11. The position to be assumed by the contestants at the resumption of a match shall be neutral or in the starting position on the mat as determined by the position held upon going out-of-bounds. If neither wrestler has control, the match shall be resumed with both wrestlers opposite each other and on the designated red and green areas on the 10-foot circle. If one wrestler has the advantage, he will take the offensive starting position at the center of the mat.

**Reversal** SECTION 12. A reversal occurs when the defensive wrestler comes from underneath and gains control of his opponent, either on the mat or in a standing position, while the supporting points of either wrestler are within the wrestling area.

**Stalemate** SECTION 13. When the contestants are interlocked in a position other than a pinning situation in which neither wrestler can improve his position, the Referee shall, *as soon as possible*, stop the match and wrestling will be resumed as for out-of-bounds.

**Starting Position** SECTION 14. a. *Defensive Wrestler*. A stationary position at the center of the mat in which the defensive wrestler is on his hands and knees facing *away from the timers' table*. He must keep both knees on the mat in contact with the rear starting line. The heels of both hands must be on the mat in front of the forward starting line. The elbows shall not touch the mat. (See illustrations Nos. 4 and 5, Starting Position.)

b. *Offensive Wrestler*. The offensive wrestler shall be on the right or left side of his opponent with at least one knee on the mat and his head on the mid-line of his opponent's back. The near arm (right or left) is placed loosely around the defensive wrestler's body perpendicular to the long axis of the body with the palm of the hand placed loosely against the

defensive wrestler's navel and the palm of his other hand (left or right) placed on the back of the near elbow. One knee or foot shall be on the mat to the outside of the near leg, not touching the defensive wrestler and a knee or foot may be placed in back of the defensive wrestler's feet. However, one knee must be touching the mat. (See illustrations Nos. 4 and 5, Starting Position.)

- c. The Referee is authorized to direct the offensive man to take a starting position after the defensive man is stationary in his starting position on the mat.

#### **HIGH SCHOOL MODIFICATION**

Offensive man must have a knee on the mat on the same side as he has hand on defensive man's elbow.

**Takedown** SECTION 15. When, from a neutral position, a contestant gains control and places his opponent's supporting points down on the mat, and held beyond reaction time, while the supporting points of either wrestler are within the wrestling area, he has gained a takedown. Down on the mat, the usual points of support may be: knee(s), the side of the thigh and the buttocks. When the hands bear the majority of the defensive wrestlers weight, the hands are considered supporting points.

**Time-Advantage** SECTION 16. The offensive wrestler who has control in an advantage position over his opponent is gaining time-advantage. A timekeeper assigned to each wrestler records his accumulated time-advantage throughout the match. A multiple timer may be used to record the time-advantage. At the end of the match, the Referee subtracts the lesser time-advantage from the greater. If the contestant with the greater time-advantage has less than one minute of net time-advantage, no point is awarded. If he has one minute or more of net time-advantage, he is awarded a maximum of one point.

#### **HIGH SCHOOL MODIFICATION**

No points will be awarded for net time-advantage.

## WEIGHT CLASSIFICATION AND WEIGHING-IN

### Weight Classification

#### 10 Weight Classes

SECTION 1. Competition shall be divided into ten weight classes as follows:

126 lbs.	142 lbs.	158 lbs.	177 lbs.	Unlimited

#### National Championships

SECTION 2. The National Collegiate Division I, II & III Championships shall be conducted in the above listed ten weights. Since conference meets are qualifiers for the championships, they will have to use the same ten weights.

#### Dual Meets

SECTION 3. Competition in dual meets shall be conducted in the weight order listed, unless changes have been mutually agreed upon at the time of weigh-in.

#### HIGH SCHOOL MODIFICATION

Competition shall be divided into the following 12 classes:

98 lbs.	119 lbs.	138 lbs.	167 lbs.
105 lbs.	126 lbs.	145 lbs.	185 lbs.
112 lbs.	132 lbs.	155 lbs.	Unlimited

Unlimited class contestants must weigh a minimum of 175 pounds.

All interscholastic competition, including interstate competition, shall be conducted in the above 12 weight classes and all such competition shall be governed by the rules as set forth in the *NCAA Wrestling Rules—High School Modification*.

1. Beginning January 1st and continuing until February 1st, two

additional pounds will be allowed in each weight class. Beginning February 1st and continuing for the remainder of the season, one additional pound shall be allowed in each weight class. This will make a net increase of three pounds beginning the 1st of February.

2. The Rules Committee recommends that individual State Associations utilize an effective weight control program which will involve the competitor, the parents, a physician and the coach.
3. A contestant may not wrestle more than one weight class above his actual weight at the time of weigh-in.
4. The use of a sweat box or similar artificial heat device for weight reduction purposes is prohibited.

## Weighing-In

### Time

SECTION 4. a. *Dual Meets.* Contestants may weigh-in a maximum of five hours and a minimum of one-half hour before the meet is scheduled to begin on scales provided by the host school. The exact maximum time shall be decided by mutual agreement of the competing teams.

Teams may weigh-in on home scales by mutual agreement of coaches and shall furnish the weight list with actual weights listed. It is mandatory that the accuracy of all scales be certified by a qualified scale authority prior to the first official weigh-in each year.

### HIGH SCHOOL MODIFICATION

Contestants shall weigh-in a maximum of one hour and a minimum of one-half hour before the time the meet is scheduled to begin. When a preliminary meet is followed immediately by a varsity meet, the one-half hour weigh-in period for the second meet may, by mutual consent, precede the preliminary meet. The weigh-in period shall extend no longer than 30 minutes.

- b. *Tournaments.* Each day of the tournament, contestants will weigh-in a maximum of five hours and a minimum of four hours before the meet is scheduled.

### HIGH SCHOOL MODIFICATION

Each day of the tournament, contestants shall weigh-in a maximum of three hours and a minimum of one-half hour before the meet is to begin, with one-pound allowance to be given each day

WEIGHT CLASSIFICATION AND WEIGHING-IN

over the weight limit of the previous day. A contestant who is to represent his school must be named at time of weigh-in. (Changes in time may be made by individual State Associations.)

**Supervision** SECTION 5. The Referee or other authorized person shall supervise the weigh-in of contestants.

**Weight Allowance** SECTION 6. a. *Dual Meets*. For all dual meets, net weights shall be required. No overweight is permitted nor should it be requested. For colleges only—members of both teams will be allowed one additional pound per day when one team is wrestling on two or three successive days, excluding Sundays. (Maximum of two pounds.) Meets held on Saturday and Monday are considered to be on successive days.

b. *Tournaments*. In tournaments, a one-pound allowance shall be given each day over the weight limit of the previous day (Maximum of two pounds).

All contestants shall weigh-in without clothing for dual meets and tournaments.

**Failure to Make Weight** SECTION 7. Any contestant failing to make weight at the minimum time shall be ineligible for that weight class. If a contestant fails to weigh-in on the second or subsequent days of a tournament after having qualified for such tournament, a forfeit shall be awarded his opponent and points for the forfeit and advancement shall be scored. (See 4-11e.)

**Medical Examinations** SECTION 8. At the time of weigh-in on the opening day of the annual National Collegiate Championships, a physician or physicians shall be present to examine all contestants for communicable diseases. In other tournaments and meets, it is recommended that a similar examination of all contestants be made at the time of weigh-in and the presence of a communicable disease or any other condition which in the opinion of the examining physician makes the participation of that individual inadvisable, shall be full and sufficient reason for disqualification.

# Rule 4

## CONDUCT OF MATCHES AND TOURNAMENTS

### The Matches

**Notification And Agreement** SECTION 1. All modifications of rules of competition, "ground rules," etc., proposed by the home coach, must be submitted to the coach of the visiting team, or teams, a sufficient length of time before the date of the meet for agreement to be reached on same, and no such action is binding unless approved by the visiting team or teams.

NOTE—In case the coaches concerned are unable to agree on a shorter maximum weighing-in time than the five hours specified as the maximum in these rules, it is understood that the maximum amount of time as specified in the rules shall hold.

The home management shall notify visiting teams at least 10 days prior to the date of the meet the exact time and place of the meet and the name of the Referee.

**Intentional Delay** SECTION 2. The home team's contestant shall be sent onto the mat first and he cannot be withdrawn or replaced. A team intentionally delaying its appearance on the mat beyond five (5) minutes of established meet starting time shall have one team point deducted.

**Length of Matches** SECTION 3. All regular matches shall be eight minutes in length divided into three periods with the first period two minutes and the second and third periods three minutes each. The first period will start with both contestants standing opposite each other on the green or red area of the 10-foot circle. The wrestlers will come forward,

Section 3

shake hands and step back to their designated areas and when the Referee sounds his whistle, begin wrestling. A fall during this or either subsequent period terminates the match. If neither contestant secures a fall in the first period, the Referee shall recess the match and place the wrestlers in the starting position on the mat (Rule 2, Sec. 14) with the appropriate contestant in the position of advantage (Sec. 5 this rule). The second period shall be started immediately by the Referee's whistle. If no fall occurs during this second period, upon its expiration, the Referee shall again recess the match, place the contestant who started the second period in the position of advantage underneath and start the third period as before.

NOTE—In matches involving sight handicapped wrestlers, a finger touch method shall be used in the neutral position and initial contact be made from the front. (Illustration No. 3).

**HIGH SCHOOL MODIFICATION**

The matches shall be six minutes in length, divided into three periods of two minutes. No rest is allowed. The matches shall be conducted in the same manner as set forth above.

**End of Match**

SECTION 4. If no fall occurs during the final period and after the match is concluded, wrestlers will return to and remain on their respective (green or red) areas while the Referee checks with the scorers and timers table. Upon the Referee's return to the mat, the contestants will shake hands and the Referee will declare the winner in accordance with Fig. 22. The time of the match is continuous except when the Referee stops and starts a match.

Failure to comply with end-of-match procedure, after being directed to do so, shall result in penalty points being assessed in dual meets and tournaments. The match is not ended until the Referee declares the outcome of the match with both contestants remaining on the mat. Failure to comply shall constitute unsportsmanlike conduct.

**HIGH SCHOOL MODIFICATION**

The loser of a match is permitted to leave the mat after shaking hand with his opponent while the Referee is raising the hand of the winner.

**Choice of Position**

SECTION 5. a. *Dual Meets.* Immediately before the contest starts, the Referee shall call the captains to the center of the mat and decide by the toss of a coin which team has the choice of position at the start of the second period in each weight class. The winner of the toss may choose the odd or even number of the weight classes listed consecutively. The choice of odd or even matches in dual meets is not altered in case of a fall, default, forfeit or disqualification.

b. *Tournaments.* Immediately following the end of the first period, the Referee shall determine which wrestler has the choice of position at the start of the second period, by toss of a coin or disc.

**Overtimes**

SECTION 6. In tournament competition when the match ends in a tie in points, the contestants shall wrestle three extra periods of one minute each (consolation matches included) starting the first of these periods on the feet and conducting the entire overtime as in a regular match.

The choice of position shall be determined by the toss of a coin. There shall be a one-minute rest between the regular match and the first overtime period and no rest between the first, second and third overtime periods. The points and time-advantage are not cumulative throughout the match and overtime periods, and only the points and time-advantage scored in the overtime period shall be counted in determining a winner. Warnings, cautions and number of infractions do carry over into the overtime. A jury of two judges and the Referee shall observe the overtime periods. When there is a tie in points at the end of the overtime, a jury, consisting of two judges and the Referee, shall select the winner by ballot without any consultation and the match shall be awarded to the contestant who has shown superior wrestling ability in the overtime periods. The signed ballots of the jury shall be recorded on the score sheet. The criteria for determining superior wrestling ability are attempts to secure falls, takedowns, reversals and escapes along with the maintenance of control.

NOTE—See Rule 7, Sec. 3.

NOTE—Three judges may be used in which case the Referee would not vote in the event of a tie. A Sample judges card is shown on page WR-19.

**Consolation  
Matches**

SECTION 7. Consolation matches shall consist of three two-minute periods conducted in the same manner as regular matches in championships.

**HIGH SCHOOL MODIFICATION**

Consolation matches shall consist of three periods; the first of which will be one minute in length and the second and third two minutes each in length.

**Control of  
Mat Area**

SECTION 8. a. All personnel, other than actual participating contestants, shall be restricted to an area reserved for such use. This area shall be at least 10 feet from the mat and scoring table.

b. During tournaments a maximum of two team personnel will be permitted in the restricted area.

**HIGH SCHOOL MODIFICATION**

Coaches are restricted to team benches except during charged timeouts or the end of the match.

**Correction of  
Error**

**SECTION 9.** a. When an error has been made in positioning a wrestler in the top or bottom position at the start of the third period, all points and time-advantage gained during the third period are cancelled. Following a rest period of one minute, the period shall be re-wrestled. (Errors occurring during first or second periods shall be corrected with wrestling resumed immediately.)

- b. If there is an error on the part of the timekeeper, scorers or Referee, the error shall be corrected and the Referee will then render his decision accordingly. When possible this correction should be made by the Referee and should take place prior to the contestants leaving the mat area. Any error not resolved by the Referee will be arbitrated by the Tournament Committee. During a dual meet, correction shall be made by the Referee prior to the start of a subsequent match. An error during the last match of a dual meet must be corrected prior to the Referee having signed the scorebook.

**HIGH SCHOOL MODIFICATION**

An error may be corrected during tournaments prior to the offended wrestler having left the mat area, and in dual meets, prior to the start of the next match. Correction of a clerical error in team scoring in tournament competition may be made at any time.

- c. When a coach believes the Referee has misapplied a rule (other than questioning judgment), he may approach the officials table, request that the match be stopped when there is no significant action. The Referee and coach shall discuss the situation in a rational manner directly in front of the official table. Both wrestlers shall remain on the mat. At the time the match is stopped the timer will note and record the amount of time consumed for the conference. If there was an error, the Referee will make the necessary adjustments, explain to the opposing coach and wrestling will be immediately resumed. If there was no error, the amount of time consumed for the conference will be deducted from the wrestler's injury time and wrestling will be resumed.

**HIGH SCHOOL MODIFICATION**

Filming (Video-Tape) is prohibited during tournaments, except as authorized by State Associations.

## Tournaments

**Tournament Committee** SECTION 10. a. All tournaments shall have a Tournament Committee designated before the start of competition.

b. This committee shall consist of at least three members and no more than five members.

c. Duties:

1. Administration of the tournament.
2. Arbitration of all disputes.

**Administration** SECTION 11. a. Failure to verify entries by the stipulated deadline will result in disqualification from a tournament. Contestants thereafter failing to make verified weight will not be allowed to participate in another weight classification.

**NOTE**—Weigh-in will constitute verification for NCAA Division I Championships.

- b. Contestants will be allowed a maximum of five (5) minutes to appear ready to compete at the specified mat. Failure to appear will result in forfeit to opponent.
- c. Defeat due to injury in a tournament does not eliminate a contestant from further competition.
- d. In case of injury or illness, the host school's physician, in consultation with the chairman of the Rules Committee, will rule on contestant's ability to continue. Extenuating circumstances concerning any injury or illness as it relates to defaults and forfeits will be considered by the Rules Committee or Tournament Committee.
- e. A forfeit will eliminate a contestant from further competition in tournaments.
- f. A disqualification may eliminate a contestant from further competition in tournaments. (See Note under Penalty Chart.)
- g. Any contestant who fails to check in or to make weight each

day of a tournament is ineligible for further competition and cannot place in the tournament.

- h. No contestant shall wrestle two matches in any tournament with less than one (1) hour rest between such matches.

**NOTE**

In case of unavoidable circumstances affecting weigh-in or schedule of matches. (See Rule 8, Sec. 3i.)

- i. The Rules Committee recommends that medals and team trophies be formally presented in a ceremony made as impressive as possible.
- j. Any conference or other tournament may be conducted under any bracketing agreed upon by participating schools, except for those tournaments which qualify wrestlers for the national championships.

**Mat Judges,  
Number**

SECTION 12. In all tournament semifinal championship and championship consolation matches, two mat judges shall be assigned to assist the Referee. Majority vote of the Referee and two judges will prevail.

**HIGH SCHOOL MODIFICATION**

By State High School Association adoption, mat judges may be utilized in tournaments. Mat judges cannot be on mat proper in the circle.

**Mat Judges  
Procedure**

SECTION 13. The use of two mat judges is designed to minimize human error inasmuch as three qualified officials will be involved in matters of rule application and judgment. The judges will be granted the same mobility as the Referee, but will remain as inconspicuous as possible. The Referee will be in complete control of the match and when questions arise, he will take action as outlined below.

- a. Verbal communication between judge and Referee is encouraged.

- b. Disagreement by either mat judge will be indicated utilizing the appropriate signal, color display or raising the hand in gaining the attention of the Referee.
- c. When only one mat judge disagrees, the Referee will not recognize him if not in agreement.
- d. When both judges disagree with the Referee, he will stop the match as soon as it is practical and indicate Referee's time-out. The Referee will avoid interrupting the match while significant action is in progress.
- e. When necessary, the judges and Referee will meet quickly in front of scorers' table to discuss the disagreement.
- f. Agreement will be reached by majority vote of the Referee and two judges.
- g. A judge may support, disagree or have no opinion relative to a decision. However, the Referee's vote shall prevail in the event of a tie.
- h. When a decision is reached, the Referee will inform the scorers' table of any change in the match scoring.
- i. The Referee, judges and two contestants are the only individuals permitted to step onto the wrestling mat. Coaches are not permitted to address the judges, except through the proper procedure (See 4-9c).

**Places Scored**

SECTION 14. In tournaments awarding four places, the loser in the final first-place match shall automatically take second place. The winner in the final consolation match shall be awarded third place and the loser fourth place. In tournaments where six places are scored, the defeated wrestlers in the consolation semifinals shall wrestle for fifth and sixth places. In tournaments where eight places are

scored, the defeated wrestlers in consolation quarterfinals shall wrestle for seventh and eighth places.

### **Drawings**

SECTION 15. Immediately after the verification of entries, drawings will be made in accordance with the graphic illustration as provided in Sec. 18 of this rule.

### **Seeding**

SECTION 16. Whenever there are two outstanding contestants in any class, the name of one of these contestants shall be placed in the upper half of the drawing bracket and the name of the other in the lower half. In case several seeded men are of equal ability, their seeded positions shall be determined by drawing.

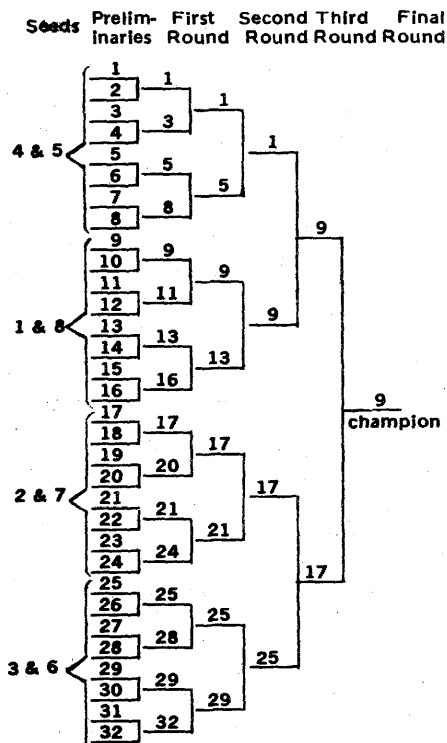

If there is one outstanding wrestler in any class and also two others who are distinctly superior to the remainder in that class, those wrestlers should be seeded in different quarter brackets of the opposite half bracket from the outstanding wrestler. A seeded contestant shall have the same opportunity to draw for the byes as other contestants in his bracket.

Usually, consideration for determining seeded wrestlers is given to: (a) a returning champion or runnerup, (b) a contestant with an undefeated season record, and (c) a contestant with an exceptional record against acknowledged strong opposition.

### **Byes**

SECTION 17. When the number of competitors is not a power of two (that is, 4, 8, 16, 32, 64) there shall be "byes" in the first round. The number of byes will be equal to the difference between the number of competitors and the next higher power of two. The number of pairs which meet in the first round shall be equal to the difference between the number of competitors and the next lower power of two. There will be no byes after the first round and no further drawing is necessary for the first place or consolation rounds. The byes, if even in number, shall be equally divided between top and bottom. If the number of byes be uneven, there shall be one more bye at the bottom than at the top, as shown in Sec. 18 this rule.

SECTION 18. *Graphic Illustration of Drawings and Seedings*

When using a 32-man bracket, if byes are drawn, they will take their places as shown in the first round column as follows:

First bye - Line 32  
 Second bye - Line 1  
 Others, in order - Lines 17, 16, 28, 5, 21, 11, 29, 3, 25, 8, 24, 9, 20

When using a 16-man bracket, byes will take their places in the same order as shown in the second round column.

- No. 1 seeded man draws for possible positions 9 through 16 in 2nd quarter.
- No. 2 seeded man draws for possible positions 17 through 24 in 3rd quarter.
- No. 3 seeded man draws for possible positions 25 through 32 in 4th quarter.
- No. 4 seeded man draws for possible positions 1 through 8 in 1st quarter.
- No. 5 seeded man draws for position in opposite half of 1st quarter.
- No. 6 seeded man draws for position in opposite half of 4th quarter.
- No. 7 seeded man draws for position in opposite half of 3rd quarter.
- No. 8 seeded man draws for position in opposite half of 2nd quarter.

If seedings hold true, quarterfinals should pit No. 4 against No. 5, No. 1 against No. 8, No. 2 against No. 7, and No. 3 against No. 6.

**CHAMPIONSHIP**

**CONSOLATION**

**Contestants Eligible for Third Place Matches** SECTION 19. a. Immediately after completion of the first quarterfinal match in each weight, consolation rounds shall start among all contestants defeated by the winner of this quarterfinal match. At the conclusion of the championship semifinals, the losers of those semifinals shall be cross-bracketed into the consolation semifinals (See b. following.)

After completion of the second, third and fourth quarter-final matches in the same weight, the same plan shall be followed as indicated in the preceding paragraph.

- b. Consolation matches to determine third place and subsequent places shall be conducted in accordance with the original first round drawings. Therefore, those eligible for the third place consolations should be matched in the order in which they were defeated by the semifinalists in this quarter-bracket.

The winner of the consolation matches involving eligible wrestlers from the first quarter-bracket should be matched with the winner of the consolation matches involving eligible wrestlers from the second quarter-bracket. The winner of this match should be paired with the loser of the championship semifinal bout in the *lower half* of the bracket (cross-bracketing) in the consolation semifinals. The same procedure should be followed with the consolation winners from the third and fourth quarters, the winner being matched against the semifinal loser from the *upper half*.

The eligible contestants are designated in a. of this section.

- c. In the event two wrestlers who have competed against each other previously in the tournament are paired again for either third place or for fifth place, the matches shall be wrestled and scored as if they had not met previously.

### Example

SECTION 20. Referring to the Graphic Illustration under Sec. 18, those eligible for the third-place rounds are 2, 3 and 5 from the first quarter; 10, 11 and 13 from the second quarter and 25 as the loser of the championship semifinal in the lower half; plus 18, 20 and 21 from the third quarter; 26, 28 and 29 from the fourth quarter and 1 as the loser of the championship semifinal in the upper half. Only the semifinal losers are cross-bracketed.

We will assume that 2 wins from 3 and 5 wins from 2; that 10 wins from 11 and 13 wins from 10, that 18 wins from 20 and 21 wins from 18; that 26 wins from 28 and 29 wins from 26.

5 then wins from 13 and is matched in the consolation semifinals against 25. 29 wins from 21 and is matched in the consola-

tion semifinals against 1. The winners of the consolation semifinals compete for third and fourth places and the losers compete for fifth and sixth places.

All third-place, fifth-place and seventh-place matches shall be conducted prior to the first-place championship matches.

# Rule 6

## INFRACTIONS

**Misconduct** SECTION 1. Misconduct by either wrestler is a technical violation and includes swearing, throwing the headgear or indicating displeasure with a decision. Penalty—One match point awarded to the opponent.

**Abusive or Unsportsmanlike Conduct** SECTION 2. Abusive or unsportsmanlike conduct during or immediately following a match includes any conduct which interferes with the orderly progress of the match. This includes coaches, contestants, all team personnel (manager, trainer, physician) or spectators. Penalty—Deduct one team point. No wrestler shall lower his shoulder straps in the presence of spectators. Failure to comply shall be enforced under unsportsmanlike conduct.

**Flagrant Misconduct** SECTION 3. a. Flagrant misconduct, such as striking an opponent or continuing unnecessary roughness, will be penalized on the first offense, by the deduction of one team point and disqualification of the contestant. A contestant so disqualified in tournament competition is not entitled to placement points but will be credited with advancement and fall points earned prior to the incident, with other contestants remaining in their respective position.

b. If the offender is someone other than a contestant (coach, trainer, manager, etc.), the penalty is deduction of one team point and removal from the premises.

## INFRACTIONS

**Unnecessary Roughness** SECTION 4. Either before, during or following a match, intentional striking, gouging, kicking, hair pulling, butting, elbowing, biting, or an intentional act which endangers life or limb shall be penalized. (See Penalty Chart, Note 2.)

**Foreign Substance On Skin** SECTION 4. The use of oil or greasy substances which cannot be completely removed shall be grounds for disqualification at the discretion of the Referee. Time out for the removal of such foreign substances shall be cumulative with the time out for injuries throughout the match. The total time out shall not exceed three minutes. (See Rule 7, Sec. 4.)

NOTE—This provision is applicable when contact lens are dislodged or lost during a match.

## Holds

**Illegal** SECTION 6. Any hold shall be allowed except the hammerlock above the right ankle; the twisting hammerlock; front headlock; headlock without the arm; the straight head scissors (even though the arm is included); over-scissors; full (double) nelson; strangle holds; all body slams; twisting knee lock; key lock; overhead double arm bar; the bending, twisting or forcing of the head or any limb beyond its normal limits of movement; locking the hands behind the back in a double arm bar from the neutral position; full back suplay from a rear standing position and any hold used for punishment alone. (See illustrations Nos. 9 through 41.)

### NOTES

1. Contestants may grasp all four fingers in an effort to break a hold, but pulling back the thumb, or one, two or three fingers is illegal.

2. The term "slam" is interpreted as lifting and bringing an opponent to the mat with unnecessary roughness. This infraction may be committed by a contestant in either the top or bottom position on the mat as well as during a takedown. When a contestant lifts his opponent off the mat and brings him forcibly to the mat with the upper half of the body coming in contact with the mat first, a slam will be called. A forceful trip may be considered as unnecessary roughness. A slam shall be called without hesitation following the situation occurring.
3. An intentional drill or forceful fall-back is illegal when the defensive wrestler is in a standing position and the offensive wrestler has a scissor hold or a cross body ride.
4. A leg hooked over the top toe of an opponent's straight body scissors is interpreted as an over-scissor and therefore illegal.
5. *A wrestler applying a legal hold should not be penalized when his opponent turns the legal hold into an illegal hold.* The Referee shall cause the hold to be released if there is a danger of injury. However, the match need not be stopped unless the Referee finds it necessary to do so in order to correct the situation.
6. *Whenever possible an illegal hold should be prevented rather than called.*
7. The three-quarter nelson is not to be interpreted as a headlock.
8. Pulling the head over the shoulder with hands locked or overlapped is not to be interpreted as a headlock.
9. The double arm bar is legal while in a neutral position if hands are locked at the side. See Illustration 20.)

**Potentially  
Dangerous**

SECTION 7. The double wristlock, toe hold, chicken wing, split scissor, guillotine, when being applied with the limb forced beyond normal range of movement, and other holds which may cause injury when used legally are considered potentially dangerous holds. (See Illustrations Nos. 10, 11, 19b, 27, 31 and 32.)

Contestants should know the dangers of these holds and the blocks for them. The Referee should anticipate danger of injury from these holds and be in position to block them before they reach the danger point. Furthermore, all Referees, coaches and contestants should understand that any and all holds used in such a way as to endanger life or limb are illegal and all Referees should verbally caution contestants against forcing a potentially dangerous hold into an illegal position.

The chicken wing is a legal but potentially dangerous hold. When the hand of the defensive wrestler goes behind the back

with parallel pressure to the long axis of the body, it becomes a twisting hammerlock and is illegal. (See illustrations No. 30, 31, 32 and 33.) The double wristlock and chicken wing become illegal when forced into a twisting hammerlock position as in the case of applying the force parallel instead of perpendicular to the long axis of the body.

*No contestant should ever be put in a position where he must forfeit a neutral position, a position of advantage or a fall because of an injury or danger to life or limb.* The Referee should promptly stop any and all holds which in his opinion are for punishment alone. If a legitimate hold is forced to such an extent as to endanger a contestant, or if it becomes a punishing hold, the Referee shall stop the match and require the hold to be broken. No penalty points should be awarded. The match shall be resumed in the neutral or starting position on the mat as determined by the position held at the time the match was stopped.

Any holds over the mouth, nose, eyes or front of the throat shall not be permitted. Pressure from the side of the hand, forearm or wrist is considered a hold and therefore barred when used on the mouth, nose, eyes or front of the throat. Forcing such a hold may be considered unnecessary roughness depending on the intent of the act as determined by the Referee and shall be penalized accordingly. (See Illustrations Nos. 34 through 37.)

## Technical Violations

### Stalling

SECTION 8. a. It is the responsibility of contestants, officials and coaches to avoid the use of stalling tactics or allowing the use thereof. Action is to be maintained throughout the match by the contestants making an honest attempt to stay in the circle and wrestle aggressively whether on the top, bottom or neutral positions. This concept shall be demonstrated by those responsible with strict enforcement by officials. A stalling penalty is preceded by a warning and there shall be only one warning per contestant per match, including overtime.

When an official *recognizes* stalling occurring at any time and in any position, he will warn the offender and thereafter violations will be penalized when stalling recurs. *These provisions require the Referee to penalize stalling without hesitation.*

**HGH SCHOOL MODIFICATION**

Momentarily touching or overlapping hands is not illegal.

- b.  *Holding Legs* —Repeatedly grasping or interlocking hands around a leg resulting in a stalemate situation, in any position, is to be considered stalling. It is stalling when the wrestler in the advantage position on the mat grasps the defensive wrestler's leg or legs with both hands or arms unless such action is designed to break his adversary down for the purpose of securing a fall or to prevent an escape or reversal.  *Repeatedly grasping and holding the leg or legs with both hands or arms merely to break the defensive wrestler down or to keep him under control is a violation under this rule.*  When the defensive wrestler has gained his feet, the wrestler in the advantage position is allowed reaction time to begin his breakdown when he is holding a leg or legs with both hands or arms.
- c.  *Neutral Position* —Each wrestler must make an honest attempt to stay within the 10-foot circle and maintain an attack to secure a takedown regardless of the time or score of the match. A contestant who continually avoids contact with his opponent is stalling. A contestant may leave the circle to maneuver for position provided he continues his attempt to gain a takedown and make an effort to work back into the circle. Taking a position near the edge or allowing his opponent to push him off the mat when the opponent makes an effort to go behind, is stalling.
- d.  *Advantage Position* —The contestant in the advantage position on the mat shall make an honest attempt to wrestle aggressively and attempt to secure a fall. Intentionally releasing an opponent is not considered stalling unless the contestant in position of advantage is not wrestling aggressively. The released wrestler is to be allowed reaction time before a takedown can be attempted. The responsibility to improve the position in the rear standing position lies with the offensive wrestler. Failure to attempt to take your man back to the mat should be treated as stalling.

- e. *Defensive Position*—Refusing to wrestle aggressively in the defensive position is stalling and shall be penalized as a technical violation. Referee will give both visual and verbal warning *without stopping* the match. (See Penalty Chart.)

NOTE—When there is no action in the mat position, the responsibility for initiating action rests with both wrestlers.

- f. *Delaying Match*—Delaying the match such as straggling back from out-of-bounds, unnecessarily changing or adjusting equipment is stalling and shall be penalized as stalling.

**Interlocking  
Hands**

SECTION 9. The wrestler in the position of advantage may not interlock or overlap his hands, fingers or arms around his opponent's body or both legs unless his opponent has all of his weight supported entirely on his feet or he has him in a pinning situation. The mere touching of the defensive wrestler's hands to the mat is not considered a change in this position unless the hands are used as support parts, in which case, the offensive wrestler is allowed reaction time to release the lock. It is unsportsmanlike for the defensive wrestler to touch his hands to the mat in order to release the offensive wrestler's lock and the Referee shall not call a violation if the lock is held in such cases. (See Illustrations Nos. 38 through 41 and Fig. 16.)

NOTE—The Referee shall not stop action when signaling the violation when the defensive man is in the process of a reversal or escape. The defensive man is allowed to complete the reversal or escape provided he does so in a continuous maneuver. If the defensive man fails to complete the reversal or escape after an opportunity to do so, the Referee shall stop the match and award the penalty. (See Penalty Chart and Fig. 15.)

**Leaving Mat  
Without  
Permission**

SECTION 10. It is a technical violation to leave the mat without first receiving permission to do so from the Referee.

**False Starts &  
Starting  
Positions**

SECTION 11. Assuming incorrect starting position and making false starts are technical violations. The sequence of penalty will be:

- a. Verbal caution.
- b. Visual caution, signified by a C, formed by the forefinger and thumb.
- c. A penalty point.

**Going Off  
The Mat**

SECTION 12. Going off the mat or forcing his opponent off the mat any time by either wrestler, as a means of avoiding wrestling, is a technical violation. Such points will not be awarded in situations where near-fall points are earned.

**Grasping  
Clothing**

SECTION 13. Grasping of clothing, mat or mat cover or headgear by a contestant is prohibited, and any advantage gained thereby shall be nullified. Grasping clothing to prevent or gain an escape, reversal, takedown or fall is a technical violation.

NOTE—(Treat same as Note under Sec. 8.)

# Rule 7

## PENALTIES AND WARNINGS INJURIES AND DEFAULTS

### Penalties and Warnings

#### Penalty Chart

SECTION 1. The infractions of the rules are penalized in accordance with the penalties as listed on the Penalty Chart.

#### Indicating Infractions

SECTION 2. When indicating an infraction, the Referee shall stop the match, except when warning and penalizing the defensive wrestler for stalling, give the hand signal to indicate the points or warnings (Figs. 12 and 13) and announce the penalty so the contestants, scorers, coaches and spectators are aware of the infraction.

#### HIGH SCHOOL MODIFICATION

The match will not be stopped when warning either wrestler for stalling, but will be stopped when penalizing either wrestler.

#### Warnings and Sequence of Penalties overtime.

SECTION 3. The Penalty Chart indicates the sequence of warnings and penalties and they are accumulative throughout the match including overtime.

### Injuries and Defaults

#### Time Out

SECTION 4. An injured contestant is entitled to a maximum time-out of three minutes which

is cumulative throughout the match, including the overtime. There shall be no limit to the number of time-out periods which may be taken in any match, but the total time-out shall not exceed three minutes. If, at the expiration of the time-out, he is able to continue wrestling, the match shall be resumed as if the contestants had gone out-of-bounds. Nose bleed or any other excessive bleeding shall not be interpreted as an injury and the number and length of time-out periods for such bleeding is left to the discretion of the Referee.

**Unconscious**

SECTION 5. If a contestant is rendered unconscious, he shall not be permitted to continue after regaining consciousness without the approval of a physician. If the injured contestant is unable to continue wrestling, the match shall be awarded in accordance with Secs. 6 and 7 of this rule.

**Accidental Injury**

SECTION 6. If a contestant is accidentally injured and is unable to continue the match, his opponent shall be awarded the match by default.

**Injury from Illegal Action**

SECTION 7. If a contestant is injured by any illegal action to the extent that he is unable to continue following a maximum of three minutes rest, the match shall be defaulted to the injured contestant. In case of an intentional attempt to injure an opponent, the offender shall be disqualified. Time-out for injury because of an illegal hold *does not count* against an injured wrestler's injury time. (Max. three minutes.) (See Rule 6, Sec. 3, and Penalty Chart for Flagrant Misconduct.)

**Attendants During Time-Out**

SECTION 8. No more than two attendants and a physician shall be permitted on the mat with the wrestler during time-out.

- Holding Legs (Sec. 8)
- Leaving Mat Without Permission (Sec. 10)
- \*\*\*False Starts and Starting Position (Sec. 11)

- Stalling (Sec. 8)
- Grasping Clothing, etc. (Sec. 13)
- Misconduct

#### REMINDER:

The number of penalties are accumulative throughout the match including overtime.  
 \*Note 1—Disqualification due to technical violation, illegal holds, or less flagrant unnecessary roughness does not

eliminate a contestant from further competition in tournaments. Disqualification for any other reason eliminates a contestant from further competition in tournaments.

\*\*Note 2—Points for unnecessary roughness may be awarded in addition to points earned.

EXAMPLE—Wrestler "A" in first period locks hands — penalty, 1 pt. Second period, he uses illegal hold — penalty, 1 pt. Later in second period he is warned for stalling. In third period, he is called for stalling again — penalty, 2 pts. Later in third period he locks his hands — penalty, disqualification.

\*\*\*Note 3—Verbal cautions for false starts and starting position are not to be recorded as warnings.

**Nos. 1 and 2—FRONT AND REAR VIEW OF SHIRT AND UNIFORM**

*This shows front and rear view of official shirt. Any shirt with more exposure is illegal.*

**No. 3—TOUCH START (Sight Handicapped)**

*Each contestant shall have fingers of one hand over and the fingers of the other hand under his opponent's fingers. Fingers shall not extend beyond the knuckles.*

Nos. 4 and 5—STARTING POSITION

*As required in Rule 2, Sec. 14, a and b. (Note starting lines, Rule 1, Sec. 6.)*

Nos. 6 and 7—CONTROL

*Illustration demonstrates control following allowance for reaction time.*

No. 8—CONTROL  
*Illustration demonstrates possible control by controlling the top leg.*

**No. 9—ILLEGAL HAMMERLOCK (ABOVE RIGHT ANGLE)**

The hammerlock is a legal hold, provided the arm is not bent above the right angle (i.e., provided that the arm is not carried above the small of the back); and provided, further, that the hand is not forced out away from the body, making it a twisting hammerlock. In this illustration the arm is carried distinctly above the right angle and is illegal.

**No. 10—ILLEGAL DOUBLE WRISTLOCK ON THE MAT**  
This cut shows double wristlock turned into a typical twisting hammerlock that will injure opponent's shoulder if the arm is forced upward, unless opponent turns with the pressure, which often he is unable to do promptly enough to prevent injury to the shoulder.

**No. 11—LEGAL DOUBLE WRISTLOCK ON THE MAT**  
The double wristlock on the mat is legal if the direction of the force is perpendicular to the long axis of the body.

→  
**No. 12—ILLEGAL FRONT  
 HEAD LOCK**

*Illustration shows how the front head lock is used to counter a leg pickup. This hold is dangerous and is illegal.*

←  
**No. 13—ILLEGAL HEAD-  
 SCISSORS**  
*This straight scissors on the head is illegal.*

→  
**No. 14—LEGAL HEAD-  
 SCISSORS (FIGURE 4  
 HEAD-SCISSORS)**

*The figure 4 Head-Scissor is considered legal when taken as shown, with the hold on either side of the face.*

**No. 15—OVER-SCISSORS  
(AN ILLEGAL HOLD)**  
The over-scissors is barred entirely under these rules because it is only a punishing hold and is of no value unless defensive contestant who uses it is allowed to force the hold, which thereby endangers the ankle and knee of his opponent.

**No. 16—STRAIGHT  
BODY SCISSORS—  
LEGAL HOLD**

**Nos. 17a and 17b—ILLEGAL  
TWISTING KNEE LOCK**  
This shows a twisting knee lock. It is an illegal hold (Rule 6, Section 5). The Referee should anticipate the danger of injury from this hold and be in a position to block it before it reaches the danger point. (See Rule 6, Sec. 5, Note 6.)

**No. 18-LEGAL TAKEDOWN**

A takedown is to be awarded in this situation. The supporting points of the man securing the takedown are his toes and they are in bounds. If his knees had touched out of bound, they would be out of bounds.

**No. 19a-LEGAL FOOT**

The defensive wrestler may (IN-STEP) HOLD grasp the instep, heel or ankle in his effort to escape, providing the pressure is not such as to endanger the ankle, knee or hip joint.

**No. 19b-TOE HOLD**  
This is a potentially dangerous hold.

**No. 20—TWISTING KNEE  
LOCK**

*Twisting knee lock pressure against the normal movement of the knee joint as illustrated constitutes an illegal hold.*

**No. 21—LEGAL (left) and ILLEGAL (right) DOUBLE ARM BAR**  
*Locking hands behind the back in a double arm bar from neutral position. Note that the double arm bar is legal when hands are locked at side (under armpit).*

**No. 22—ILLEGAL HEAD LOCK**  
*Locking the arm around the head.*

**No. 23—LEGAL HEAD LOCK**  
*Opponent's arm is included in the lock.*

**No. 24—A LEGAL HOLD**  
*Pulling the head over the shoulder with hands locked or overlapped.*

**No. 25—THREE-QUARTER NELSON**  
**A LEGAL HOLD**

→  
**No. 26—FULL NELSON—  
 AN ILLEGAL HOLD**

# Referees' Signals

The signals illustrated on the following pages are standard for wrestling Referees throughout the nation. It is the duty of every Referee to know these signals in order to give them instantly and clearly so that the wrestlers, timers, scorers and spectators are aware of what is taking place during the progress of the match.

## The Use of the Whistle

**SECTION 1.** The whistle should be held ready for immediate use at all times during the match.

→  
**Fig. 1—Shaking Hands and Stepping Back.** After the officials indicate they are ready at the table, the Referee directs the wrestlers to shake hands, step back to their designated areas, and be ready to wrestle when the whistle sounds.

**Fig. 2—Designating The Position Of The Wrestlers Before The Start Of The Match.** As the wrestlers come onto the mat, the Referee points to the areas they are to take on the circle (green for the home team, red for the visiting team). He next points one hand toward the timers and scorers to verify their readiness. Note—After an out-of-bounds, wrestlers return to designated areas. The Referee raises his hand forward between two wrestlers. After a momentary pause to make certain the wrestlers are ready, he sounds his whistle and simultaneously moves his hand as a signal for the wrestlers to go into action.

**Figs. 3, 4 (below left) and 5 (below right)—Resuming The Match In The Starting Position On The Mat.** The Referee can move to any position when starting the wrestlers, and is encouraged to be out of view of the wrestlers. The Referee may give a preparatory command such as "Get Set" or "ready." When the wrestlers are in proper positions (Rule 2, Sec. 14) and after a momentary pause the Referee sounds his whistle and moves his hand to start the action.

#### HIGH SCHOOL MODIFICATION

The Referee is to stay in front of the wrestlers.

**Fig. 6—Stopping The Match For Out-Of-Bounds.** When the contestants are out-of-bounds (Rule 2, Sec. 8) the Referee stops the match and extends both arms horizontally to the same side toward the out-of-bounds. The Referee places himself in the most advantageous position to determine the out-of-bounds and stops the match immediately when the out-of-bounds occurs.

**Fig. 7—Stopping The Match.** The Referee blows his whistle and extends his hand to stop the watch.

**Fig. 8—Declaring A Neutral Position Standing After Out-Of-Bounds.** When the contestants are out-of-bounds (Rule 2, Sec. 8) and neither is in an advantage position, the Referee stops the match as in Fig. 5 and signals a Neutral position. The upper arms are front horizontal, both forearms are vertical and the hands are extended upward.

**Fig. 9—Indicating A Neutral Position During A Scrimmage For A Take-Down.** Both arms are extended sideward slightly below the horizontal with the palms of the hands down. The Referee moves his hands back and forth bringing them together and moving them away while verbally announcing "no advantage."

**Fig. 10—Indicating a caution.** This is not a warning but a visual caution.

**Fig. 11—Indicating Retention Of Advantage.** Whenever there is any doubt as to the contestant in the advantage position, the Referee should indicate the contestant in the advantage position by pointing to him with one hand. The Referee will keep his other hand down and along his leg so that there will be no confusion as to whether any points are awarded.

**Fig. 12—Awarding Points.** One arm and index finger are pointed at the wrestler receiving the points. At the same time the Referee verbally announces the award and the name of the team receiving it as he raises his opposite arm to a near vertical position, indicating with extended fingers the number of points awarded.

**Fig. 13—Warning And Indicating A Violation.** The match is stopped. The index finger of one hand is pointed to the violator. At the same time the Referee verbally announces the penalty and raises the opposite arm with his fist doubled to indicate the "warning" or penalty. Note—For "warning" and penalizing defensive stalling the match is not stopped

←

**Fig. 14—Scoring A Near Fall.** The Referee gets down on the mat in a prone position for the best view of the defensive contestant's back while at the same time trying to keep out of the way of the contestants. The Referee does not signal a score for a "near-fall" until the pinning situation is ended. (Rule 2, Sec. 10) After the situation is finished the Referee extends one arm upward indicating with the fingers the number of points awarded as he directs the index finger of his other hand toward the contestant receiving the points.

→

**Fig. 15—Calling A Fall.** When the fall (Rule 2, Sec. 5) is imminent the Referee raises one hand about 10 inches. As soon as the fall is completed he quickly strikes the mat with the palm and verbally announces "Fall." The Referee is not to put his hands under the back of the defensive wrestler unless his view of the shoulders is blocked by one or both contestants and it is absolutely necessary for him to feel the back on the mat in order to call the fall (Rule 8, Sec. 3h.)

←

**Fig. 16—Interlocking Hands, Or Grasping Clothing, During An Escape Maneuver (Rule 10, Sec. 7 a.** When the bottom contestant is in the process of an escape or reversal and the contestant on top locks his hands or grasps the clothing to prevent the maneuver, the Referee indicates the violation by clasping his hands over his head. This signal stops the advantage time for the top contestant, and indicates the violation has occurred but the Referee is allowing the bottom contestant an opportunity to complete the action providing he does so in one continuous maneuver. If the maneuver is successful, bottom contestant gains neutral or top position, the Referee signals the points and the match continues with no interruption. If the bottom contestant fails to complete the maneuver the Referee stops the match and awards the penalty. (See Penalty Chart.)

**Fig. 17—Preventing An Illegal Hold.** (Rule 6, Sec. 5 & Rule 8, Sec. 3g.) The Referee anticipates a potentially dangerous hold and gets in position to block it before it becomes dangerous. He may also verbally caution the contestant against forcing a potentially dangerous hold into an illegal hold.

**Fig. 18—Calling Time Out.** The match is stopped as in Fig. 4. If there is to be a delay in resuming the match, the Referee will indicate "time-out" by extending one hand in a vertical position at right angles to his chest with the ends of the fingers touching the palm of the other hand which is extended in a horizontal position in front of the chest. The Referee announces to the scorers the reason for the time out and to whom it is charged.

**Fig. 19—Calling A Stalemate Situation.** The match is stopped as in Fig. 4. Then the Referee indicates the reason for stopping the match as a stalemate by placing the arms on the chest in a bent position with the fists closed as indicated at the right.

**Fig. 20—Indicating A Potentially Dangerous Hold.**

→  
**Fig. 21—**Indicating An Illegal Hold.

←  
**Fig. 22—**Indicating Stalling By Defensive Wrestler. Match continues.

→  
**Fig. 23—**Declaring The Winner. (Rule 8, Sec. 3j) At the end of the match the Referee orders the wrestlers to shake hands and raises an arm of the winning wrestler toward both sides of the gym.

←  
**Fig. 24—**Declaring A Draw. In case of a tie score at the end of the match in dual meets, the contestants will shake hands and the Referee will raise a hand of each of the contestants toward both sides of the gym.
