ON THE COVER: Randy Batten, two-time 118-pound champion in NCAA Division II, who was voted the most outstanding wrestler at the title meet as a freshman. His collegiate record at Tennessee-Chattanooga is 62-4-0 and includes a string of 44 consecutive victories. Only a loss at the Division I championships to eventual runner-up Johnny Jones of Iowa State halted the streak that took him to a first-place finish in the 1975 Southern Open and two straight Southeastern Intercollegiate Wrestling Association crowns. He was undefeated in dual meets as a sophomore. The three-time Tennessee state champion for Hixson High School gained international experience wrestling for the U.S. against the Russians in the spring of 1975. Batten is majoring in engineering.

Also-Rans Return The Strength Iowa Lost To Set Up Four-Team Struggle In Norman

By RUSS SMITH

Sports Editor, The Waterloo (Iowa) Courier

After what happened there last February 21, the University of Iowa wrestling team might justly feel that if it never returned to the University of Oklahoma's Lloyd Noble Center it would be too soon.

So, then, next March 17 may well be too soon. That's when the Hawkeyes will go in quest of a third straight National Collegiate Athletic Association Division I wrestling championship, something that has never been achieved before except by Oklahoma State.

The Hawkeyes graduated some big achievers from the squad that set an NCAA tournament scoring record with 123 $\frac{1}{4}$ points in winning the 1975 tournament at Tucson, Ariz., but they will not go to Norman, Okla., next spring unloaded.

IT'S JUST THAT THEY THOUGHT they were pretty well stacked this year—as they surely were—and they bowed 27-12 to the Sooners in a dual meet on February 21 in Lloyd Noble Center, the site of the 1976 NCAA meet. It was Iowa's only loss in any kind of a wrestling meet in two years. The closest the Hawkeyes came to bowing in 1974-75 when they won the NCAA meet with 102 points was in a 19-19 dual meet tie with state rival Iowa State.

They won the Midlands and the Big Ten championships and all other dual meets the last two seasons. They defeated Oklahoma twice in duals in 1974-75.

This figured to be an Iowa year. The finger was on both of Iowa's big state universities, Iowa and Iowa State, from the beginning and, at the end, in second place 37 $\frac{1}{2}$ points behind the Hawkeyes at Tucson, was Iowa State.

Now it's Oklahoma's turn—both to host the nationals and, so far as Sooner coach Stan Abel is concerned, to win it. The biggest argument he gets may come from cross-state rival Oklahoma State.

But both of the Iowa teams should challenge. This year, in other words, there are four teams that can be accurately categorized as "loaded." That's roughly twice as many as last year.

THE NEW 11,500-seat Noble Center has had a full year's shakedown at OU. And, in effect, Abel himself devoted last year to preparations for the meet.

He held out of competition two seniors who, between them, have won five wrestling all-America awards including one national championship.

Russ Smith, who previews the collegiate wrestling scene for the Guide for the fourth straight year, has been covering NCAA mat championships every year since 1958.

The Iowa native has also made the Olympic wrestling scene in a reporting capacity three times—Mexico City in 1968, Munich in 1972 and Montreal in 1976.

Smith was the first recipient of the Bob Dellinger award as Amateur Wrestling Writer of the Year and served as charter president of the Amateur Wrestling Media of America.

As a biographer, he has to his credit "The Legend of Dan Gable: The Wrestler".

Without 134-pounder Brian Beatson, 1975 runner-up, and 158-167-pounder Rod Kilgore, fourth in 1975 and a 1974 champion, the Sooners were a somewhat disappointing ninth at Tucson.

All 34½ of their NCAA points return for the 1976-77 season to join Beatson, Kilgore and a flashy class of seven recruits that Abel is bringing in.

Big Eight champion Shawn Garel, the defending 118-pound champion, ran into some disfavor in Tucson when he couldn't make weight for the second day of wrestling. He was just a junior, and if he completes his eligibility this year, he may still face the prospect of the long pull to 118 pounds.

THAT'S BECAUSE ONE OF THE SOONERS' brightest prospects last year was at 126 pounds—sophomore Ken Nelson who went into the Big Eight meet undefeated, but hampered by a rib injury he had sustained in the dual meet against Iowa. Nelson placed second to Iowa State's Bob Antonacci in the conference but third in the nation, a highly respectable finish for a physically-ailing sophomore.

The only other Sooner to place last March was 190-pounder Mark Neumann.

Still Oklahoma starts this season with Garel, Nelson and Beatson in the first three weights and come along later with Kilgore, probably at 167, and Neumann.

They went to Montana for two of their leading recruits. Possibly the No. 1 prize was three-time Montana state high school champion Jim Darlington, a 177-pounder with a 112-4 high school record. He was 10-0 for the United States on a high school exchange trip to Japan, and he's an athlete as is indicated by his all-state honor in football and his state shot put championship.

The other Montana recruit is Roger Jore, who could fit in at 118 or 126, and other out-of-state recruits are Joe Gonzalez, a 118-pound state champion from East Los Angeles JC and Jim Cutchall of Bremerton, Wash., a 6-0, 305-pound heavyweight who was 29-0 with 25 falls this past year.

THE SOONERS ALSO CLAIMED two state champions out of Perry, Okla., Brian Busby, a 141-pounder, and Jay Hollingsworth, 115 pounds.

The returning redshirts and the recruits, of course, will have to give the Sooners a lift because on the basis of their 34½ returning points they are only seventh.

The winner, if they counted only points scored by underclassmen in the 1976 tournament, would be Oklahoma State. Its 64½ points were good for only third last March, but every one of them is back.

Iowa State returns 57¾ points, plus two redshirts that earned previous all-Americas as freshmen. Iowa returns 48, Cal Poly 39½, Minnesota 36½, Michigan 36½, Wisconsin 23½, Kentucky 23½ and Lehigh 23½.

Oklahoma State, placing only third in the Big Eight last year, qualified only seven of its 10 team members for the NCAA. The Cowboys were void at 118, 134 and 150 pounds so coach Tommy Chesbro recruited three wrestlers this season and, he says, those three weights are taken care of. In fact, Chesbro says he only wooed the three athletes that signed tenders at Oklahoma State.

THEY ARE HOWARD AUSLEGER of Stillwater, Okla., state runner-up twice before going 26-0 last year to win the state title at 115 pounds; LeRoy Smith of Del City, Okla., two-time state champion with only one loss in two years at 134 pounds, and Eric Wais of Woodland, Calif., two-time state champion at 190 pounds.

Chesbro proposes to fill the 150-pound gap with a 190-pounder. He figures all of his larger people from Daryl Monasmith, who placed sixth in the nation at 190 pounds, have been wrestling above their most efficient weight class.

Monasmith is a 177-pounder; Dave McQuaig, the fifth-placer last year at 177, is a 167-pounder; Jon Jackson, who was a quarterfinalist at 167 pounds, should be at 158, and Paul Martin, who went into the 1976 tournament as the Big Eight champion at 158 pounds despite an injury, placed third as a freshman in 1975 at 150 and will return there.

Steve Barrett, the top-seed at 142 pounds who eventually finished third, is back, and 126 pounds is covered by 1975-76 freshman Doug Duell, also a quarter-finalist last March.

Duell, however, might have to hustle to make the team if Billy Martin, a 1975 NCAA runner-up at 126 pounds, decides to claim his senior year of wrestling. Martin was red-shirted last year.

Of course, the Cowboys should be all right at heavyweight. They have defending champion Jimmy Jackson, all 300 pounds of him, still only a junior and improving with a summer of experience as an Olympic squad member.

MAKING THEIR TALENT FIT the prescribed 10 weights may be Iowa State's biggest problem, and the Cyclones do have talent.

They pick up Mike Land, a sophomore, and Bob Holland, a junior, off the red-shirt rolls of last year. Land placed sixth at 118 pounds his freshman year while Holland was runner-up the year before at 150 pounds, also as a freshman. He was struck down, scholastically, on the eve of the 1975 tournament and did not compete. But he's eligible now and likely will force one of two outstanding athletes to sit out the 1976-77 season.

The word is that Holland will pick his weight, probably 158 pounds, and that either Joe Zuspahn, who placed third there last year, or Kelly Ward, a sophomore-to-be who lost only once wrestling from 142 pounds to 190, will red-shirt.

Traffic will be fierce around 118 and 126 pounds, too. Land might wind up as high as 134 pounds. There are returning lettermen, Casey Bartels and Don Finnegan, who have wrestled the past couple of years at the lower three weights, and there's also Johnnie Jones, the 118-pounder who placed second in the NCAA.

Jones has trouble pulling to 118 pounds. On the other hand, the Cyclones' No. 1 recruit for next year, Mike Farina, a youngster from Illinois, shouldn't. Farina, just out of high school, made the U.S. Olympic team at 105.5 pounds in both freestyle and Greco-Roman last summer.

DR. HAROLD NICHOLS, the veteran Cyclone coach, does not ordinarily boast of his recruits until they are on the campus, but he has another worthy of note, a brother to 177-pounder Willie Gadson who placed third and sixth the past two years in the NCAA. He's the same size and of corresponding talent, and, like Willie, a New York junior college product.

Frank Santana placed second at 190 pounds for the Cyclones last year after sustaining a severe knee injury early in February. He'll be back as will Bob Fouts, who hobbled on a sore knee in the NCAA meet and finally claimed sixth place after forfeiting his final consolation match. Rob Whisman, Iowa State's regular heavyweight the year before, returns from the red-shirt rolls.

The defending champion Hawkeyes graduate more points than any team scored in the NCAA tournament last year, except Iowa State, and the 48 they have returning still leaves them No. 3 in that pool.

BIGGEST VACANCY WAS CREATED at 150 pounds with the departure of two-time champion Chuck Yagla, who pinned four of his five opponents last year and was named the tournament's most outstanding wrestler. Brad Smith, a four-year regular and the 1976 142-pound champion, is gone as are Dan Wagemann, runner-up at 167; Tim Cysewski, third at 134, and Mike McDonough, at 126.

National champion Chris Campbell, who moved up from second in 1975 at 177, is back, as are a pair of juniors-to-be at 190 pounds who placed second in the NCAA in 1975 (Greg Stevens) and third in 1976 (Bud Palmer).

Time will tell whether or not the Hawkeyes have two fine heavyweights or none, returning. John Bowsby placed third in the NCAA as a freshman in 1975 and Doug Benschoter was the only freshman heavyweight to place last year when he took fifth. Benschoter, whose only losses in high school two years ago were to

Bowlsby, was recruited by the Hawkeyes as a football player.

He won a regular job in the Iowa defensive line as a freshman and only reported for wrestling to help out after Bowlsby sustained a knee injury.

Bowlsby had an operation on the knee and appeared to be on the way to recovery when it was reinjured in the Olympic trials at Cleveland last spring.

Gary Kurdelmeier, the amateur wrestling man of the year as well as the collegiate coach of the year last year, knew he had some recruiting work to do. He landed five recruits who won a total of eight state championships.

The top prize probably was Mike DeAna of Bay Village, Ohio, whose only loss in

Helms Foundation Amateur Wrestling Hall Of Fame

The Amateur Wrestling Hall of Fame was established by the Helms Athletic Foundation of Los Angeles in 1957 with an original selection of five wrestlers, nine coaches and one contributor.

Since 1957 annual elections to the Hall of Fame have been held. With the announcement of five additions for 1976, the total number to be honored for their outstanding contributions to the sport is now 148, including 67 wrestlers, 54 coaches and 27 contributors.

Elections to the Amateur Wrestling Hall of Fame are made by the Helms Hall Board as a result of recommendations made by the Amateur Wrestling Hall of Fame Committee, headed by Jess Hoke of Amateur Wrestling News.

A permanent trophy for amateur wrestling is maintained in Helms Hall and members of the Hall of Fame whose names are inscribed thereon are as follows:

105 high school matches was in his sophomore year to one Lee Kemp, who won the NCAA 158-pound title last year for the University of Wisconsin.

Besides Campbell and Jackson only two 1976 champions return. One of the others is Cal Poly 118-pounder Mark DiGirolamo.

The second is Evan Johnson of Minnesota. The Gophers, Big Ten runners-up who return 36½ of their 43 NCAA meet points, have three other Big Ten place winners back, one of them 118-pounder Mike McArthur, third in the NCAA. They also have Jim Lunde, a junior 177-pounder who was injured, and Jim Menne, a 158-pounder who was red-shirted, as well as heavyweight Stan Werner and 126-pounder Ken Saba, Minnesota high school champions.

IN ADDITION TO DIGIROLAMO, Cal Poly returns Kim Wasick, fifth at 167.

Michigan returns eight of its 10 regulars including sophomore-to-be Mark Churella, who was the only collegian to defeat Iowa's Yagla last year, then finished ahead of Yagla in the freestyle Olympic trials. Churella was third in the NCAA.

Also returning for the Wolverines is 177-pound runner-up Mark Johnson.

Another returnee, a sophomore, is Big Ten champ Amos Goodlow, who won his title over Wisconsin's Jim Reinwand, national champion at 126 pounds.

The Wolverines also expect to have heavyweight Mitch Marsicano, third place finisher in the Big Ten in 1975, back after a redshirt year.

Fourth-place Wisconsin, which matched Iowa's three national champions, graduated two of them—Reinwand and 167-pounder Pat Christenson.

But Kemp, the only perfect-record grappler to emerge from the NCAA finals, prevailed over a class that didn't include a single senior. He was a sophomore.

Lehigh was the highest ranking finisher outside of the Big Ten-Big Eight quartet, finishing fifth for the second straight time.

THE ENGINEERS, HOWEVER, graduate two-time champion Mike Frick as well as Mike Lieberman and Tihamer Toth-Fejel.

Lehigh still has five Eastern Intercollegiate champions in its lineup, starting with Lance Leonhardt, 118; Bobby Sloand, 126, a fourth-placer in the NCAA; Pat Sculley, 142; Mark Lieberman, 167, and Don McCorkel, heavyweight.

Lieberman, younger brother of Mike, and Sculley sat out last year.

Best of Lehigh's freshmen could be 118-pounder Steve Bastianelli, a state champion in Delaware, a 177-pounder Mike Brown, a Pennsylvania state champ.

Penn State graduated its only place winner while Navy returns John Althans, fourth-placer at 158. Navy has six other lettermen from a team that defeated both Penn State and Lehigh in dual meets last year and the addition of a quartet of sophomores as starters will make Navy a stronger tournament team.

Yale lost four seniors. Its top returnees are Ken Stewart, and Leigh Tonai.

Oregon State and Oregon end their rivalry at heavyweight with the graduation of Oregon's Greg Gibson, a two-time runner-up. Gibson lost to Oregon State's Larry Bielenberg two years ago, but last year Bielenberg finished third.

THE LEADER IN THE SOUTH is Kentucky, whose 11th place finish was paced by third-placer Joe Carr at 167 pounds. Joe's younger brother, Jimmy, a member of the last two U.S. Olympic teams, expects to be back at 126 pounds.

Montclair shoved John Carroll to second in the Division III championships, but the latter claims the 14th best finish, unofficially, in the nation with Mark Hawald and Jim Weir placing in the Division I meet. Both return along with eight other lettermen. St. Lawrence loses only Division III heavy champ Ron Pelligra, and Millersville loses only 190-pound winner Eric Guyll.

Northern Iowa slipped to third in defending its Division II title, but Gary Bentrin, UNI's 142-pound champion, was only a sophomore. Chuck Patten recruited 14 new grapplers, including four high school state champions. Southern Illinois at Edwardsville has 19 lettermen back, including 142-pounder Greg Tuck.

WEIGHT-CLASS WINNERS AT NATIONAL CHAMPIONSHIPS: L-R, Front-DeGiralamo (Cal Poly), Reinwand (Wisconsin), Frick (Lehigh), Smith (Iowa), Yagla (Iowa); back-Kemp (Wisconsin), Christenson (Wisconsin), Campbell (Iowa), Johnson (Minnesota), Jackson (Oklahoma State).

'Hawkeye' And The Big Ten Gang Ambush Big Eight Mat Powers On Arizona Desert

By JACK RICKARD

Associate Sports Editor, Tucson Daily Citizen

It took 46 years for the National Collegiate Wrestling Championships to visit the Southwest.

It's taken almost that long for some conference besides the Big Eight to dominate the tournament.

Both happened in the sunshine at Tucson, Ariz., in the 1976 championships event. Southwest wrestling fans got their first close look at the cream of the college wrestlers at University of Arizona's spacious McKale Center.

What they saw was a tournament in which the Big Ten conference emerged as the strongest, not only on a team basis but on the number of individual finalists and champions.

IOWA'S HAWKEYES CAME INTO the three-day event heavily favored as the team to beat. Coach Gary Kurdelmeier's defending champions were ranked No. 1 in the weekly collegiate wrestling polls all but one week of the year and had a strong nucleus back from the 1975 championship team.

What was unexpected was the overall strength of the Big Ten contingent.

When the championship finals unfolded, the team title had already been clinched by Iowa in the afternoon consolation finals. All that was left was the 10 individual crowns.

The Big Ten sent 10 wrestlers into the finals and was represented in eight weight divisions. Seven of the 10 won individual titles while the conference gained four spots in the top eight team finishes.

Iowa's championship was the first time a school out of the Big Eight has won the tournament more than once. Only Oklahoma State, Iowa State and Oklahoma have managed more than one NCAA title, and only six other teams besides these

three have managed one national title.

The Hawkeyes' repeat march to the championship was not without some dramatics, but these lasted for only a day and a half.

THE HAWKEYES came out of the pre-tournament seeding meeting with only five seeded wrestlers. Iowa State, a team the Hawkeyes had beaten twice in dual competition, had eight seeds.

But the Iowa State advantage lasted only for the opening day.

The Cyclones were the first day scoring leaders, but

A 1957 graduate of Oregon State, Jack Rickard remained in Corvallis as sports editor of the Gazette-Times and watched collegiate wrestling grow to popularity in the Northwest under the leadership of Oregon State coach Dale Thomas.

In 1961, he covered the first-ever NCAA wrestling championship on the West Coast, in Corvallis.

Later Rickard toured South Africa with an Oregon high school all-star team for a cultural exchange program.

He assumed his Arizona duties in September, 1973, and in

1976 he was on hand for the NCAA wrestling championships' debut in another area—the Southwest.

the Friday night semifinals, the session that often decides the team championship, ended any Iowa State hopes.

Iowa came away with a 15-point lead and sent four men into the finals plus three into the consolation round. Iowa State had six men still going, including three finalists, but the Hawkeyes had too much for their in-state rivals.

The Hawkeyes finished with 123 $\frac{1}{4}$ points, a championship meet record that erased the mark of 104 set by Iowa State in 1969. That record is a bit misleading because the 1976 scoring system offered more points for superiority decisions, but the Hawkeyes would have set a new mark without the change.

IOWA STATE FINISHED FAR BACK with 85 $\frac{3}{4}$ points followed by Oklahoma State, 64 $\frac{1}{2}$; Wisconsin, 64; Lehigh, 55 $\frac{1}{4}$; Cal Poly-San Luis Obispo, 53; Minnesota, 43; Michigan, 36 $\frac{1}{2}$, Oklahoma, 34 $\frac{1}{2}$, and Penn State, 23 $\frac{1}{4}$.

The tournament was also particularly tough on defending and former champions. Six 1975 winners came back and only two—Mike Frick of Lehigh at 134 pounds and Iowa's Chuck Yagla at 150—came away with championships. The two former champs from previous years also were beaten.

Yagla was named the tournament's outstanding wrestler. He pinned his first three opponents and won by 19-3 and 5-0 scores in the semifinals and finals, respectively, to dominate the 150-pound division.

One of the defending champions, Shawn Garel of Oklahoma, lost the hard way. He was a pound overweight for his Friday morning weigh-in and was disqualified.

The 118-pound title went to unseeded Mark DiGirolamo of Cal Poly, who scored a 14-4 triumph over third-seeded Johnnie Jones of Iowa State.

The 126-pound championship match was another surprise. The two finalists, Harold Wiley of University of California at Santa Barbara and Jack Reinwand of Wisconsin, gained tournament spots as wild-card selections. Reinwand, the No. 5 seed, did not allow a takedown and had four of his own in a 9-5 victory.

THE 134-POUND CHAMPIONSHIP was undoubtedly the feature match on the program, pitting the defending champion, Frick, against Pat Milkovich, the Michigan State senior who had won 126-pound titles in 1972 and 1974 and was second in 1975. Frick had been the outstanding wrestler in the 1975 tourney.

With 1:10 to go, the match was tied at 4-4. But Frick scored a double-leg takedown and rode it out for a 7-4 victory.

Later when the 134-pounders ascended the awards podium, Milkovich, sporting a black eye, was given a 45-second standing ovation from the crowd of 6,075—a gesture that brought tears to the eyes of the four-time NCAA finalist.

The 142-pound division lost a chance for an all-Brad Smith final when Slippery Rock's Gene Costello ousted Toledo's Brad Smith on a judges' decision in the semifinals. Costello was no match for Iowa's Brad Smith in the championship match, losing a 12-4 decision to the Hawkeye senior.

Yagla, 36-1 on the regular season and Iowa's pin leader with 15, had no trouble with Iowa State's Pete Galea, a four-time Big Eight champion, in the 150-pound finale. It was 5-0 for Yagla, with four points coming in the final period.

WISCONSIN SOPHOMORE LEE KEMP and Washington senior Tom Brown offered a match of two unbeaten wrestlers in the 158-pound finale. Kemp (38-0), a 1975 runner-up at 150, blanked Brown (35-0), 4-0.

The most crowd-pleasing bout of the finals came at 167 pounds where Wisconsin's Pat Christenson outpointed Iowa's Dan Wagemann, 9-7. Christenson, who made it to the finals by scoring four points in the last four seconds to defeat Joe Carr of Kentucky, clinched the victory with a takedown with 10 seconds left.

The second straight all-Big Ten match, this one at 177, saw Iowa's Chris Campbell, the 1975 runner-up, defeat Mark Johnson of Michigan, 9-4. Iowa State sophomore Frank Santana won the 190-pound title with a 6-6, 2-0 overtime

decision over Evan Johnson of Minnesota.

A new king of the heavyweights emerged in the person of 6-foot-6, 325-pound Jimmy Jackson of Oklahoma State. In the semifinals, he completely dominated the '75 champ, Larry Bielenberg of Oregon State, 9-2, and in the finals the big sophomore used his 100-pound-plus advantage over 1975 runner-up Greg Gibson of Oregon. It was 5-3, but all of Gibson's points were on escapes.

Jackson's triumph was important to his team because it moved Oklahoma State into third place, a half-point ahead of Wisconsin. The Badgers had three individual champions, however, to match the total of Iowa.

Of the other returning champions who failed to make it, Jim Bennett of Yale, moving up a weight to 150, lost to Ken Wilson of Syracuse in the quarterfinals and finished fourth; Mike Lieberman of Lehigh lost to Michigan's Johnson in the 177-pound semifinals and placed third, and Bielenberg finished third in the heavy-weight division after his semifinal loss to Jackson.

Two past champions who couldn't regain the top spot were Don Rohn of Clarion State, a 1973 champion as a freshman who lost to Iowa's Brad Smith in the 142-pound semis and wound up in sixth place, and Milkovich.

NATIONAL DIVISION II CHAMPIONSHIPS

Bakersfield State Wins In Photo Finish And Crown Returns To California 'Home'

By ED KOLPACK

Sports Editor, The Fargo (N.D.) Forum

The West Coast returned to the top of NCAA Division II wrestling in the 1976 championships.

Northern Iowa brought the title back to the Midwest in 1975, following a seven-year stranglehold by Cal Poly of San Luis Obispo. But the Cal State-Bakersfield Roadrunners came beep-beeping to Fargo, N.D., to win the 1976 prize.

In a three-team race, Bakersfield State scored 92½ points to edge Tennessee-Chattanooga and Northern Iowa. Chattanooga, moving up from third place the previous year, had 88¼ and Northern Iowa tallied 83.

It cost coach Joe Seay an extra \$18 to get his Roadrunners on the mats—and it was worth it. When Seay arrived at tournament headquarters, he discovered officials had not received his entry list. He paid the late-entry penalty of \$2 for each of his nine entrants. (The entry, held up in the mail, arrived a week after the meet and Seay was refunded the \$18.)

UNLIKE THE 1975 TOURNEY, when Northern Iowa had the title clinched before the final night, Bakersfield State was pushed to the last second of the ninth championship bout.

Mike Bull put the Roadrunners over the top at 190 pounds. The second-seeded Bull, fourth in 1975, needed a takedown at the buzzer to tie Frank Savegnago at 7-7 and won with one point riding time. Savegnago, seeded No. 1 from Southern Illinois-Edwardsville, finished runner-up for the second straight year.

That gave the 'Runners a lead of 88½ to 88¼ over Chattanooga, and the Tennessee crew was out of potential point winners.

The tourney highlight for the estimated 4,000 fans was at heavyweight, where freshman Don Meyer of host North Dakota State carried Bill Van Worth of

Bakersfield into overtime before the Pan American Games champion won with four seconds advantage in riding time.

Before the tourney opened, Seay said 118, 150, 190 and heavyweight were his strongest weights. Dan Houtchens gave the Californians their third individual winner at 150 and Rich Molina was third at 118.

THE ROADRUNNERS also picked up valuable points from Flor Rocha, third at 167 pounds. Bakersfield State had no entry at 158.

Ed Kolpack's entire newspaper career—since graduation from the University of Minnesota in 1949—has been spent on the staff of The Forum.

He's spent 25 of those years in sports writing, and since 1964 has served as sports editor.

While assigned to North Dakota State University and the North Central Conference, Kolpack has seen the league's schools establish a strong reputation as Division II wrestling powers.

He's reported NCAA football and basketball playoff action and looks ahead to spring, when he can add track and field coverage with North Dakota State hosting the national meet.

guess was that four returning place winners made Chattanooga a favorite.

Chattanooga had two big guns in Randy Batten and Turner Jackson, and they held up their end. Batten, the outstanding wrestler as a freshman in 1975, repeated as 118-pound champion. Jackson, a senior, won again at 158.

Batten had his hands full at 118 before edging Mankato State's Brent Hagen, 4-0, in overtime. Hagen was one of two freshmen to gain the finals.

Jackson, with two pins and three lopsided decisions, beat Ed Torrejon of Eastern Illinois, 9-4, in the 158 wind-up.

Third-seeded Rick Jensen of South Dakota State, named the outstanding wrestler, dethroned defending champion Alex Gonzales of San Francisco State, 13-2, at 126. Jensen's toughest match was a 4-3 semifinal decision over Mark Mangianti of Grand Valley (Mich.) State.

JACK EUSTICE OF MANKATO STATE, second at 126 in 1975, defeated Dave Robison of Southern Illinois, 9-7, in the 134-pound final.

Northern Iowa, which graduated three individual winners off its 1975 championship team, sent Gary Bentrim to the title stand at 142 pounds. Bentrim nudged top-seeded Gary Kessel of East Stroudsburg State in overtime in the semifinals before stopping Russell Clark of St. Cloud State in the final, 9-5.

Houtchens decisioned North Dakota State's Dave Scherer, 6-3, for the 150-pound crown. Scherer surprised the No. 1 seed, Dick Munroe of Springfield, 7-2, to reach the final.

Another top seed fell in the 167-pound title bout. Bill Mitchell of Central State, Okla., seeded third, tripped St. Cloud State's Jerome Schmitz, 2-1.

David Weeks kept Chattanooga in contention when he defeated Northern Iowa's Dan Keller, 3-1, at 177. Weeks earned fourth-place last year.

That gave Chattanooga all the points the Moccasins were to get. Bakersfield State, trailing 88½ to 84½, had two shots left and the Roadrunners didn't fail.

BULL, WHO HAD BREEZED THROUGH three earlier matches, 12-4, 13-7 and 7-1, trailed Savegnago most of the 190-pound match. Bull pulled it out with the takedown at the buzzer and riding time.

The 315-pound Van Worth had a 75-pound advantage on Meyer in the heavy-weight final. The North Dakota State freshman was three seconds away from an upset, leading 3-2, when he was penalized one point for stalling at 7:57. Each managed an escape in the overtime period, but Van Worth had 16 seconds riding time against 12 for Meyer.

The tournament ran close to form. Bakersfield State was rated No. 1 in Division II by Amateur Wrestling News.

Five of the 10 individual winners were No. 1 seeds, and the lowest seeded champion was No. 4 Bentrim of Northern Iowa at 142 pounds.

Clare Duda of Augustana (S.D.), third at 190, won the pinning trophy. Duda, beaten by Savegnago in the semifinals, captured four matches by fall.

THE 14TH ANNUAL CHAMPIONSHIPS, hosted for the second time in five years by North Dakota State, attracted 220 wrestlers from 53 schools. And Seay capped Bakersfield State's first national title by being named Coach of the Year.

A year ago Bakersfield tied for eighth place with 47 points in the meet at East Stroudsburg State.

The remainder of the Top 10 included Mankato State in fourth with 60 points; North Dakota State, 5th with 59½; Augustana and Southern Illinois, 6th with 49 each; St. Cloud State, 8th with 45½; South Dakota State, 9th with 35½, and East Stroudsburg, 10th with 34½ points.

The 1977 Division II championship stays in the North Central Conference. It is slated to be held at the University of Northern Iowa, with at least five league members vying with Bakersfield State for the crown.

NCAA DIVISION III TITLISTS: L-R, front-Muthall (John Carroll), Tundo (Montclair State), Peraza (Potsdam State); back-Weir (John Carroll), Caprio (Montclair State), D. DiGiacchino (Montclair State), Gylli (Millersville State), Peligra (St. Lawrence).

NATIONAL DIVISION III CHAMPIONSHIPS

Montclair State Stays Cool To Overcome Defending Champ In 'Dual Meet' Tourney

By STEVE ALLSPACH
Sports Writer, Cedar Rapids Gazette

Philosophically speaking, Larry Schiacchetano's decision to alter the structure of his quest for the 1976 national collegiate Division III wrestling title was straight out of St. Thomas Aquinas' play book. To paraphrase, proceed with faith and to blazes with the reason.

Proof of the pudding? The runaway victory of his Montclair State team in dethroning John Carroll as Division III kingpin. From the semifinals on, it was no contest: Montclair 143, John Carroll 114 $\frac{1}{4}$. Ashland, a distant third, had 51.

THE SETTING FOR THE THIRD Division III tourney, otherwise known as the Montclair State-John Carroll dual meet, was quaint Coe College, a bit of Ivy League nestled in the heart of Cedar Rapids, Iowa, a growing mini-city audacious enough to boast of itself as the "City of Five Seasons," a claim based on a mixed bag of Americana that includes just the right amounts of rural and city pleasures. And yes, it's in the heartland of Midwest wrestling prominence. Iowa City, the home of Division I champ Iowa, is some 20 miles down the road.

With Wilkes College opting for Division I status in wrestling for 1976, the struggle that unfolded on the eight mats scattered inside spacious Moray Eby Fieldhouse was strictly a match race between Montclair and John Carroll.

As was the case in 1975, the semifinals would again make or break either team's chances of a championship.

Schiacchetano's legion numbered seven and Tony DeCarlo's John Carroll team had six representatives. The only head-on meeting, though, came at 167 pounds, and Dante Caprio's pin of Ken Meditz was an ominous warning of Montclair's gathering storm. The meet turned into a runaway when the New Jerseyites polished off John Carroll twice in the finals.

A fraternity brother who became a national wrestling champion helped start Steve Allspach on the road to his current position as a wrestling writer for the Cedar Rapids (Iowa) Gazette.

The William Penn graduate felt the sport didn't get enough "press" and offered to string for the Oshaloosa, Iowa, Daily Herald as a wrestling correspondent.

He soon earned a full-time job and a month later became sports editor for the Herald.

A native of Baxter, Iowa, Allspach joined the staff of the Gazette in 1973.

He garnered writing awards for wrestling pieces in 1974 and 1975.

"I've approached the nationals with too much intensity in the past," admitted Schiacchetano before sending Vince Tundo, who was to earn the outstanding wrestler award, into a semifinal with Millersville's Andy Zook at 126 pounds.

"I changed my coaching philosophy and tried to create a relaxed, comfortable atmosphere. There was just too much pressure and too much worry before."

The switch obviously helped Tundo, because he whipped Zook in a free-for-all, 21-6, before dealing de-

fending champion Greg Helmuth of Gettysburg a setback in the finals.

Helmuth, injured part of the year, was one of three returning champions, and Zook won the tournament's award for most falls in the least amount of time.

Further proof of a new guard within the ranks came at 177 pounds when the other defending champ, Brad Bowman of John Carroll, dropped a 16-8 decision to Montclair's freshman whiz, Dom DiGioacchino. Also taking advantage of the relaxed air were Rick Freitas and Mike Blakely. Rick, a transfer from Boston University, won at 142 and Blakely lost to Mark Hawald (the same Hawald-Cale of a year ago) of John Carroll, the only successful defending champ.

DIVISION III TRADITION WAS BROKEN in one respect. The host team had always hauled off the title trophy (Wilkes and John Carroll), but Barron Bremner's Coe team didn't possess the depth necessary to fashion a No. 1 position. One Kohawk did reach the finals, but Nick Hobbs was denied the 142-pound laurel wreath for the second consecutive year.

Jack Mulhall did give John Carroll new hope by running roughshod over Peter Berti of Binghamton State of New York in the 118-pound final.

That 14-7 decision was rendered after Erland Van Lidth de Juede, a remarkable young man from Massachusetts Institute of Technology who stands six-foot-seven and weighs 375 pounds and later wrestled for the national title at heavyweight, sang the National Anthem for a packed house of 2,000.

Mulhall, second last year at the same weight, had things pretty much his own way, since Montclair's Nabil Guketlov had gone the way of all graduates.

But Tundo started Montclair's landslide with his 7-1 decision over Helmuth. Tundo, who wrestled for the 134-pound title a year ago, started his ascension to prominence with a fireman's carry that developed into a takedown and then used a heel-pick and a single leg for two third-period takedowns.

MONTCLAIR'S LIMITED LOSING EXPERIENCE came when Hawald dealt Blakely a 13-7 setback. The entertaining affair went to 7-7 before Hawald's four-point pancake ushered him to the triumph. "It's satisfying to see two of our guys win titles," said DeCarlo, "but unfortunately, Montclair has become the champion."

Hobbs and Freitas met in the 142-pound finale, and the partisans, of course, were itching for the hometown favorite to pull off the coup that had eluded him last year. Freitas had other ideas, though, and employed quarter nelsons and shucks for a 10-4 triumph. Next came Potsdam's Tony Peraza, who outpointed husky Fred Wideman of MacMurray, 12-6. Peraza's win at 150, incidentally, was the last instance of a 1975 runner-up moving up to the title slot.

John Carroll's Jim Weir then precluded a Montclair power play by edging Massachusetts Maritime's Bob Harris, 9-7, in the 158-title affair.

Caprio dominated Ashland's Clay Barnard, 12-3, at 167. Even though Ashland went without an individual champion, it did celebrate Chris Ford's honor as Coach of the Year in Division III. After Caprio's win DiGioacchino followed with a 16-8 decision over Bowman, who was limping badly with a knee injury.

MILLERSVILLE'S "ELASTIC MAN," Eric Guyll, then claimed the 190-pound crown by disposing of Upper Iowa's Frank Kuennen, 5-1. Guyll, sixth last year, employed a maze of leg combinations for almost six minutes of riding time.

Van Lidth de Juede, who didn't start wrestling until his freshman year at MIT, met St. Lawrence's Ron Pelligra in the heavyweight scrap and Pelligra survived, 4-1. Giving away almost 150 pounds to the massive MIT undergrad, Pelligra took advantage of his surprisingly superior strength.

Next year, the State University of New York at Binghamton hosts the meet, and now that the bugaboo of the home court advantage has been erased, look out for Montclair State again. With Tundo, Blakely, Freitas and DiGioacchino returning, all they'll have to do is "Stay Cool" for a repeat title.

A Match

SECTION 1. A match shall be conducted in each of the ten weight classifications between wrestlers of the same weight class. Matches shall be eight minutes in length divided into three periods.

Representation SECTION 2. An institution shall be represented by only one wrestler in each weight class and no substitution is allowed for injured wrestlers in dual meets or tournaments.

Team Captains SECTION 3. Each team shall designate to the Referee one contestant as its Captain, who shall call the coin toss for choice of position for each weight class at start of second period. However, a team may be represented by more than one individual.

Persons Subject To the Rules SECTION 4. All wrestlers, coaches, trainers, and other persons affiliated with the teams are subject to the rules and shall be governed by the decisions of the officials.

Mats

Dimensions SECTION 5. Mats shall have a wrestling area not less than a square 32 feet by 32 feet (9.8 meters) or a circular area 32 feet in diameter. There shall be a mat area of approximately five feet (1.5 meters) in width which extends entirely around the wrestling area. The entire mat area

RECOMMENDED MAT SIZES

shall be the same thickness which shall not be more than four inches (10.2 cm) nor less than the thickness of a mat which has shock absorbing qualities of a two-inch thick hair felt mat.

The wrestling area shall be marked on the mat by painted lines two inches in width. At the center of the mat there shall be similarly painted a circle 10 feet (3.0 m) in diameter, and it is recommended a different color be used than that for the boundary line. An area on the opposite sides of the 10-foot (3.0 m) circle shall be designated by means of a .12-inch (30.5 cm) portion of the circle's arc on one side in green and directly opposite a similar portion of the arc in red. Contestants in starting the match and resuming wrestling in a neutral position will return to their respective designated areas. (Home—green, Visitor—red).

Starting Lines

SECTION 6. There shall be placed at the center of the cover or mat, two one-inch (2.5 cm) *starting lines*, one of which lies in the diameter of the 10-foot (3.0 m) circle, three feet (.9 m) in length and 10 inches (25.4 cm) apart. (See diagram above.)

Wrestlers

Limitations

SECTION 7. No contestant shall be permitted to represent his institution in more than one weight class in any meet.

Forfeits

other class.

SECTION 8. A contestant may not accept a forfeit in one weight class and compete in another class.

Shift Weight Class

SECTION 9. A contestant who weighs in for one weight may be shifted to a higher weight class.

Uniforms and Equipment

Uniforms

SECTION 10. The uniform shall consist of either:

- a. Full length tights, close fitting outside short trunks, and sleeveless shirt without fasteners at the shoulder and fastened down at the crotch. Shirts shall not be cut away in excess of the shirt illustrated in Figs. 1 and 2 (picture of legal shirt, back and front view). The front and back of the shirt shall not be cut lower than the level of the armpit and under the arms the shirt shall not be cut lower than one-half the distance between the armpit and the belt line.

Appearance

SECTION 11. Contestants shall be clean-shaven, free of mustaches, sideburns trimmed no lower than ear lobe level and hair trimmed and well groomed. Because

of the body contact involved, this rule has been approved in the interests of health, sanitary and safety measures. The hair in the back shall not extend below the top of an ordinary shirt collar and on the sides the hair shall not extend below ear lobe level.

Special Equipment SECTION 12. Any mechanical device which does not allow normal movement of the joints and prevents one's opponent from applying normal holds, shall be barred. Any legal device which is hard and abrasive, must be covered and padded. Artificial limbs and loose pads are prohibited. The use of special medication during a match or time-out because of a pre-existent condition such as asthma, diabetes, etc., shall result in disqualification.

Enforcement SECTION 13. a. The legality of all equipment (mat markings, uniforms, headgear, devices, pads, etc.) and contestant's appearance shall be decided by the Referee.

b. The Referee shall also determine whether each contestant has complied with specified health, sanitary and safety measures as to appearance. These shall constitute the sole reasons for disqualification, and application of this rule shall not be arbitrary or capricious.

Rule 2

DEFINITIONS

Decisions SECTION 1. If no fall has resulted after expiration of the three regular periods of any match as provided in 4-3, the Referee shall award the match to the contestant who has scored the greater number of points as provided by the point system in 5-2. If there is a tie in the number of points scored, the Referee shall declare the match a draw in dual meets. (See 4-6 for tournaments.)

Default SECTION 2. A default is awarded in a match when one of the wrestlers is unable to continue wrestling for any reason. (See 4-11.)

Disqualification SECTION 3. Disqualification is a situation in which a contestant is banned from participation in accordance with the Penalty Chart.

Escape SECTION 4. An escape occurs when the defensive wrestler gains a neutral position and the offensive wrestler has lost control while the supporting points of either wrestler are within the wrestling area.

Fall SECTION 5. Any part of both shoulders or area of both scapulas held in contact with the mat for one second constitutes a fall. The one-second count (one-thousand-and-one) shall be a silent count by the Referee and shall start only after the Referee is in such position that he can observe that a fall is imminent, after which the shoulders or scapula area must be held in continuous contact with the mat in-bounds for one second before a fall is awarded. (See figure 16, WR-67.)

DEFINITIONS

Page WR-11

- c. When the match is stopped for out-of-bounds in a fall situation, the match shall be resumed in the starting position on the mat. (See 2-11, 14.)

Forfeit SECTION 6. A forfeit is received by a wrestler when his opponent, for any reason, fails to appear for the match. In order to receive a forfeit, a wrestler must be dressed in wrestling uniform and appear on the mat. (See 3-7, 4-11b.)

Neutral Position SECTION 7. A neutral position is one in which neither wrestler has control.

Out-of-Bounds SECTION 8. Contestants are considered in-bounds if the supporting parts of either wrestler are inside the boundary lines. The line is considered out of bounds. A wrestler's supporting points are the parts of the body touching the mat which bear the wrestler's weight, other than those parts with which he is holding his opponent. When down on the mat, the usual points of support may be hands, feet, the knees, the side of the thigh and the buttocks. Wrestling shall continue as long as the supporting parts of either wrestler remain in-bounds; however, near-fall points or a fall may be earned only while the shoulders of the defensive wrestler are in-bounds. If there is no action at the edge of the mat and one wrestler is out of bounds, the official may stop the match.

Position of Advantage SECTION 9. A position of advantage is a position in which a contestant is in control and maintaining restraining power over his opponent.

DEFINITIONS

Control is the determining factor. The failure of the offensive wrestler to get his head out from the defensive wrestler's arm does not necessarily prevent the offensive wrestler from having control. The offensive wrestler is entitled to this advantage until such time as his opponent gains a neutral position or a reversal. (See Secs. 2-4, 7, 8 and 12.)

Near-Fall SECTION 10. a. A near-fall is a position in which the offensive wrestler has control of his opponent in a pinning situation with:

- (1) Both shoulders of the defensive wrestler held momentarily (stopped) within four inches (10.2 cm) of the mat or less, or when one shoulder of the defensive wrestler is touching the mat and the other shoulder is held at an angle of 45 degrees or less with the mat. Two points shall be awarded for such near-fall situations. A continuous roll-through is not to be considered a near-fall.
 - (2) The criteria for a near-fall having been met uninterrupted for five seconds, three points shall be awarded. Whenever possible, a visual hand count is to be used in determining a three-point near-fall.
- b. A near-fall is ended when the defensive wrestler gets out of a pinning situation. The Referee must not signal the score for a near-fall until the situation is ended and only one near-fall shall be scored in each pinning situation, regardless of the number of times the offensive wrestler places the defensive wrestler in a near-fall position during the pinning situation.

Only the wrestler with the advantage, who has his opponent in a pinning situation, may score a near-fall. Bridgebacks in body scissors or bridgeovers with a wristlock are not considered near-fall situations, even though a fall may be scored.

When the defensive wrestler places himself in a precarious situation during an attempted escape or reversal, a near-fall shall not be scored unless the offensive wrestler has control of and has definitely restrained his opponent in a pinning situation beyond normal reaction time.

Resumption of Wrestling After Out-of-Bounds SECTION 11. The position to be assumed by the contestants at the resumption of a match shall be neutral or in the starting position on the mat as determined by the position held upon going out-of-bounds. If neither wrestler has control, the match shall be resumed with both wrestlers opposite each other and with one foot on the green or red area of the 10-foot circle and other foot inside the 10-foot (3.0 m) circle. If one wrestler has the advantage, he will take the offensive starting position at the center of the mat.

Reversal SECTION 12. A reversal occurs when the defensive wrestler comes from underneath and gains control of his opponent, either on the mat *or in a standing position*, while the supporting points of either wrestler are within the wrestling area.

Stalemate SECTION 13. When the contestants are interlocked in a position other than a pinning situation in which neither wrestler can improve his position, the Referee shall, *as soon as possible*, stop the match and wrestling will be resumed as for out-of-bounds.

Starting Position SECTION 14. a. *Defensive Wrestler*. A stationary position at the center of the mat in which the defensive wrestler is on his hands and knees facing *away from the timers' table*. He must keep both knees on the mat in contact with the rear starting line. The heels of both hands must be on the mat in front of the forward starting line. The elbows shall not touch the mat. (See illustrations Nos. 4 and 5, Starting Position.)

b. *Offensive Wrestler*. The offensive wrestler shall be on the right or left side of his opponent with at least one knee on the mat and his head on the mid-line of his opponent's back. The near arm (right or left) is placed loosely around the defensive wrestler's body perpendicular to the long axis of the body with the palm of the hand placed loosely against the defensive wrestler's navel and the palm of his other hand (left or right) placed on the back of the near elbow. One

DEFINITIONS

knee or foot shall be on the mat to the outside of the near leg, not touching the defensive wrestler; and a knee or foot may be placed in back of the defensive wrestler's feet. However, one knee must be touching the mat. (See illustrations Nos. 4 and 5, Starting Position.)

- c. The Referee is authorized to direct the offensive man to take a starting position after the defensive man is stationary in his starting position on the mat.

Takedown SECTION 15. When, from a neutral position, a contestant gains control and places his opponent's supporting points down on the mat, and held beyond reaction time, while the supporting points of either wrestler are within the wrestling area, he has gained a takedown. Down on the mat, the usual points of support may be: knee(s), the side of the thigh and the buttocks. When the hand(s) bear the majority of the defensive wrestler's weight, the hand(s) are considered supporting points.

Time-Advantage SECTION 16. The offensive wrestler who has control in an advantage position over his opponent is gaining time-advantage. A timekeeper assigned to each wrestler records his accumulated time-advantage throughout the match. A multiple timer may be used to record the time-advantage. At the end of the match, the Referee subtracts the lesser time-advantage from the greater. If the contestant with the greater time-advantage has less than one minute of net time-advantage, no point is awarded. If he has one minute or more of net time-advantage, he is awarded a maximum of one point.

Rule 3

WEIGHT CLASSIFICATION AND WEIGHING-IN

Weight Classification

10 Weight Classes

National Championships

SECTION 2. The National Collegiate Division I, II & III Championships shall be conducted in the above listed ten weights. Since conference meets are qualifiers for the championships, they will have to use the same ten weights.

Dual Meets

SECTION 3. Competition in dual meets shall be conducted in the weight order listed, unless changes have been mutually agreed upon at the time of weigh-in.

Weighing-In

Time

SECTION 4. a. *Dual Meets.* Contestants may weigh-in a maximum of five hours and a minimum of one-half hour before the meet is scheduled to begin on scales provided by the host school. The exact maximum

time shall be decided by mutual agreement of the competing teams.

Teams may weigh-in on home scales by mutual agreement of coaches and shall furnish the weight list with actual weights listed. It is mandatory that the accuracy of all scales be certified by a qualified scale authority prior to the first official weigh-in each year.

- b. *Tournaments.* Each day of the tournament, contestants will weigh-in a maximum of five hours and a minimum of four hours before the meet is scheduled.

Supervision

SECTION 5. The Referee or other authorized person shall supervise the weigh-in of contestants.

Weight Allowance

SECTION 6. a. *Dual Meets and Tournaments.*

For all dual meets and tournaments three pounds (1.4 kg) allowance shall be given over the regular weight during November and December, two pounds (.9 kg) during January and one pound (.5 kg) during February, not including qualifying tournaments. All qualifying tournaments shall be wrestled at scratch weight. No additional weight is permitted nor should it be requested. Members of both teams will be allowed one additional pound (.5 kg) per day when one team is wrestling on two or three successive days, excluding Sundays (Maximum of two pounds—.9 kg. Meets held on Saturday and Monday are considered to be on successive days.

- b. *Tournaments.* In tournaments, a one-pound allowance shall be given each day over the weight limit of the previous day (Maximum of two pounds). The Tournament Committee will stipulate the time for the first weigh-in.

All contestants shall weigh-in without clothing for dual meets and tournaments.

NOTE—A 118 pounder (53.5 kg) may weigh 121 pounds (54.9 kg) in November and December, 120 pounds (54.4 kg) in January and 119 (54.0 kg) pounds in February except for the qualifying tournaments.

Failure to Make Weight SECTION 7. Any contestant failing to make weight at the minimum time shall be ineligible for that weight class. If a contestant fails to weigh-in on the second or subsequent days of a tournament after having qualified for such tournament, a forfeit shall be awarded his opponent and points for the forfeit and advancement shall be scored. (See 4-11e.)

Medical Examinations SECTION 8. At the time of the initial weigh-in of the annual National Collegiate Championships, a physician or physicians shall be present to examine all contestants for communicable diseases. In other tournaments and meets, it is recommended that a similar examination of all contestants be made at the time of weigh-in and the presence of a communicable disease or any other condition which, in the opinion of the examining physician makes the participation of that individual inadvisable, shall be full and sufficient reason for disqualification.

Rule 4

CONDUCT OF MATCHES AND TOURNAMENTS

The Matches

Notification And Agreement SECTION 1. All modifications of rules of competition, "ground rules," etc., proposed by the home coach, must be submitted to the coach of the visiting team, or teams, a sufficient length of time before the date of the meet for agreement to be reached on same, and no such action is binding unless approved by the visiting team or teams.

NOTE—In case the coaches concerned are unable to agree on a shorter maximum weighing-in time than the five hours specified as the maximum in these rules, it is understood that the maximum amount of time as specified in the rules shall hold.

The home management shall notify visiting teams at least 10 days prior to the date of the meet the exact time and place of the meet and the name of the Referee, *who should be mutually agreed upon.*

Intentional Delay SECTION 2. The home team's contestant shall be sent onto the mat first and he cannot be withdrawn or replaced. A team intentionally delaying its appearance on the mat beyond five (5) minutes of established meet starting time shall have one team point deducted.

Length of Matches SECTION 3. All regular matches shall be eight minutes in length divided into three periods, with the first period two minutes and the second and third periods three minutes each. The first period will start with both contestants standing opposite each other with one foot on the green or red area of the 10-foot (3.0 m) circle and the other foot inside of the 10-foot circle. The wrestlers will come forward,

shake hands and step back to their designated areas and when the Referee sounds his whistle, begin wrestling. A fall during this or either subsequent period terminates the match. If neither contestant secures a fall in the first period, the Referee shall recess the match and place the wrestlers in the starting position on the mat (2-14) with the appropriate contestant in the position of advantage (4-5). The second period shall be started immediately by the Referee's whistle. If no fall occurs during this second period, upon its expiration, the Referee shall again recess the match, place the contestant who started the second period in the position of advantage underneath and start the third period as before.

NOTE—In matches involving sight handicapped wrestlers, a finger touch method shall be used in the neutral position and initial contact be made from the front. (Illustration No. 3).

End of Match

SECTION 4. If no fall occurs during the final period and after the match is concluded, wrestlers will return to and remain on their respective (green or red) areas while the Referee checks with the scorers and timers table. Upon the Referee's return to the mat, the contestants will shake hands and the Referee will declare the winner in accordance with Fig. 24, WR-69. The time of the match is continuous except when the Referee stops and starts a match.

Failure to comply with end-of-match procedure, after being directed to do so, shall result in penalty points being assessed in dual meets and tournaments. The match is not ended until the Referee declares the outcome of the match with both contestants remaining on the mat. Failure to comply shall constitute unsportsmanlike conduct.

Choice of Position

SECTION 5. a. *Dual Meets*. Immediately before the contest starts, the Referee shall call the captains to the center of the mat and decide by the toss of a coin which team has the choice of position at the start of the second period in each weight class. The winner of the toss may choose the odd or even number of the weight classes listed consecutively. The choice of odd or even matches in dual meets is not altered in case of a fall, default, forfeit or disqualification.

- b. **Tournaments.** Immediately following the end of the first period, the Referee shall determine which wrestler has the choice of position at the start of the second period, by toss of a coin or disc.

Overtimes

SECTION 6. In tournament competition when the match ends in a tie in points, the contestants shall wrestle three extra periods of one minute each (consolation matches included) starting the first of these periods on the feet and conducting the entire overtime as in a regular match.

The choice of position shall be determined by the toss of a coin. There shall be a one-minute rest between the regular match and the overtime match. The points and time-advantage are not cumulative throughout the match and overtime periods, and only the points and time-advantage scored in the overtime period shall be counted in determining a winner. Warnings, cautions and number of infractions do not carry over into the overtime. When there is a tie in points at the end of the overtime, the following criteria will be applied, in the order listed, to determine the winner.

- a. **Abusive and Unsportsmanlike Conduct:** If the wrestler has been penalized for abusive and unsportsmanlike conduct, he shall lose.
- b. **Near Falls:** The wrestler that has accumulated the greater number of points for near falls shall be declared the winner.
- c. **Takedowns:** If none of the above has produced a winner, the wrestler with the greater number of takedowns shall be declared the winner.
- d. **Reversals:** If none of the above has produced a winner, the wrestler with the greater number of reversals shall be declared the winner.
- e. **Escapes:** If none of the above has produced a winner, the wrestler with the greater number of escapes shall be declared the winner.
- f. **Riding Time:** If none of the above has produced a winner, the wrestler with 15 seconds or more of riding time advantage shall be declared the winner.

- g. **Stalling:** If the above has produced equal points or no points for either wrestler, any wrestler having been (1) **Penalized** for stalling shall lose, or (2) **Warned** for stalling shall lose.

NOTE—If one man has been warned and penalized for stalling and the other man has been warned, the one who has been penalized will lose. The man penalized the greatest number of times for stalling will lose.

- h. **Other:** If none of the above has produced a winner, the Referee shall determine the winner, based on his opinion as to which wrestler was the superior wrestler.

Consolation Matches

SECTION 7. Consolation matches shall consist of three two-minute periods conducted in the same manner as regular matches in championships.

Control of Mat Area

SECTION 8. a. All personnel, other than actual participating contestants, shall be restricted to an area reserved for such use. This area shall be at least 10 feet (3.0 m) from the mat and scoring table.

- b. During tournaments a maximum of *two team personnel* will be permitted in the restricted area.

Correction of Error

SECTION 9. a. When an error has been made in positioning a wrestler in the top or bottom position at the start of the third period, all points and time-advantage gained during the third period are cancelled. Following a rest period of one minute, the period shall be re-wrestled. (Errors occurring during first or second periods shall be corrected with wrestling resumed immediately.)

- b. If there is an error on the part of the timekeeper, scorers or Referee, the error shall be corrected and the Referee will then render his decision accordingly. When possible, this correction should be made by the Referee and should take place prior to the contestants leaving the mat area. Any error not resolved by the Referee shall be arbitrated by the Tournament Committee. During a dual meet, correction shall be made by the Referee prior to the start of a subsequent match. An error during the

last match of a dual meet must be corrected prior to the Referee having signed the scorebook.

- c. When a coach believes the Referee has misapplied a rule (other than questioning judgment), he may approach the official's table and request that the match be stopped when there is no significant action. The Referee and coach shall discuss the situation in a rational manner directly in front of the official table. Both wrestlers shall remain on the mat. If there was an error, the Referee will make the necessary adjustments, explain to the opposing coach and wrestling will be immediately resumed. If there was no error and the Referee determines the coach's action as intentional delay of the match, or questions the Referee's judgment, he shall penalize the coach according to the following: (1) first offense—verbal caution; (2) second offense—deduct one team point; (3) third offense—remove from premises. The above offenses are accumulative throughout; (1) for each dual meet; (2) for each day (quadrangular and triangular meets); (3) for each session of a tournament.

Tournaments

Tournament Committee

SECTION 10. a. All tournaments shall have a Tournament Committee designated before the start of competition.

- b. This committee shall consist of at least three members and no more than five members.
- c. Duties:
1. Administration of the tournament.
 2. Arbitration of all disputes.

Administration

SECTION 11. a. Failure to verify entries by the stipulated deadline will result in disqualification from a tournament. Contestants thereafter failing to make verified weight will not be allowed to participate in

another weight classification.

NOTE—Weigh-in will constitute verification for NCAA Division I Championships.

- b. Contestants will be allowed a maximum of five (5) minutes to appear ready to compete at the specified mat. Failure to appear will result in forfeit to opponent.
- c. Defeat due to injury in a tournament does not eliminate a contestant from further competition.
- d. In case of injury or illness, the tournament physician, in consultation with the chairman of the Tournament Committee, will rule on contestant's ability to continue. Extenuating circumstances concerning any injury or illness as it relates to defaults and forfeits will be considered by the Tournament Committee.
- e. A forfeit will eliminate a contestant from further competition in tournaments.
- f. A disqualification may eliminate a contestant from further competition in tournaments. (See Note under Penalty Chart.)
- g. Any contestant who fails to check in or to make weight for each day of a tournament is ineligible for further competition and cannot place in the tournament, except as covered in 4-11d.
- h. No contestant shall wrestle two matches in any tournament with less than one (1) hour rest between such matches.
- i. The Rules Committee recommends that medals and team trophies be formally presented in a ceremony made as impressive as possible.
- j. Any conference or other tournament may be conducted under any bracketing agreed upon by participating schools, except for those tournaments which qualify wrestlers for the national championships.

**Mat Judges,
Number**

SECTION 12. In all tournament semifinal, championship and championship consolation matches, two mat judges shall be assigned to assist the Referee. Majority vote of the Referee and two judges will prevail.

**Mat Judges
Procedure**

SECTION 13. The use of two mat judges is designed to minimize human error inasmuch as three qualified officials will be involved in matters of rule application and judgment. The judges will be granted the same mobility as the Referee, but will remain as inconspicuous as possible. The Referee will be in complete control of the match and when questions arise, he will take action as outlined below.

- a. Verbal communication between judge and Referee is encouraged.
- b. Disagreement by either mat judge will be indicated utilizing the appropriate signal, color display or raising the hand in gaining the attention of the Referee.
- c. When only one mat judge disagrees, the Referee will not recognize him if not in agreement.
- d. When both judges disagree with the Referee, he will stop the match as soon as it is practical and indicate Referee's time-out. The Referee will avoid interrupting the match while significant action is in progress.
- e. When necessary, the judges and Referee will meet quickly in front of scorers' table to discuss the disagreement.
- f. Agreement will be reached by majority vote of the Referee and two judges.
- g. A judge may support, disagree or have no opinion relative to a decision. However, the Referee's vote shall prevail in the event of a tie.
- h. When a decision is reached, the Referee will inform the scorers' table of any change in the match scoring.
- i. The Referee, judges and two contestants are the only individuals permitted to step onto the wrestling mat. Coaches are not permitted to address the judges.

Places Scored

SECTION 14. In tournaments awarding four places, the loser in the final first-place match shall automatically take second place. The winner in the final consolation match shall be awarded third place and the loser fourth place. In tournaments where six places are scored, the

defeated wrestlers in the consolation semifinals shall wrestle for fifth and sixth places. In tournaments where eight places are scored, the defeated wrestlers in consolation quarterfinals shall wrestle for seventh and eighth places.

Drawings Section 15. Immediately after the verification of entries, drawings will be made in accordance with the graphic illustration as provided on page WR-26.

Seeding SECTION 16. Whenever there are two outstanding contestants in any class, the name of one of these contestants shall be placed in the upper half of the drawing bracket and the name of the other in the lower half. In case several seeded men are of equal ability, their seeded positions shall be determined by drawing.

If there is one outstanding wrestler in any class and also two others who are distinctly superior to the remainder in that class, those wrestlers should be seeded in different quarter brackets of the opposite half bracket from the outstanding wrestler. A seeded contestant shall have the same opportunity to draw for the byes as other contestants in his bracket.

Usually, consideration for determining seeded wrestlers is given to: (a) a returning champion or runnerup, (b) a contestant with an undefeated season record, and (c) a contestant with an exceptional record against acknowledged strong opposition.

Byes SECTION 17. When the number of competitors is not a power of two (that is, 4, 8, 16, 32, 64) there shall be "byes" in the first round. The number of byes will be equal to the difference between the number of competitors and the next higher power of two. The number of pairs which meet in the first round shall be equal to the difference between the number of competitors and the next lower power of two. There will be no byes after the first round and no further drawing is necessary for the first place or consolation rounds. The byes, if even in number, shall be equally divided between top and bottom. If the number of byes be uneven, there shall be one more bye at the bottom than at the top, as shown on page WR-26.

Graphic Illustration of Drawings and Seedings

When using a 32-man bracket, if byes are drawn, they will take their places as shown in the first round column as follows:
 First bye - Line 32
 Second bye - Line 1
 Others, in order - Lines 17, 16, 28, 5, 21, 11, 29, 3, 25, 8, 24, 9, 20

When using a 16-man bracket, byes will take their places in the same order as shown in the second round column. In making pairings for the 16-man brackets, or smaller, drawings should be made for the number one seed to draw any place in the bracket. This is followed by drawing for the second seed to any place in the half bracket opposite the number one seed. The third seed then draws to the quarter bracket opposite the second seed and the fourth seed to the quarter bracket opposite the first seed.

- No. 1 seeded man draws for possible positions 9 through 16 in 2nd quarter.
- No. 2 seeded man draws for possible positions 17 through 24 in 3rd quarter.
- No. 3 seeded man draws for possible positions 25 through 32 in 4th quarter.
- No. 4 seeded man draws for possible positions 1 through 8 in 1st quarter.
- No. 5 seeded man draws for position in opposite half of 1st quarter.
- No. 6 seeded man draws for position in opposite half of 4th quarter.
- No. 7 seeded man draws for position in opposite half of 3rd quarter.
- No. 8 seeded man draws for position in opposite half of 2nd quarter.

If seedings hold true, quarterfinals should pit No. 4 against No. 5, No. 1 against No. 8, No. 2 against No. 7, and No. 3 against No. 6.

Consolation Pairings

- 2 represents first man defeated by quarter-final winner 1
 - 3 represents second man defeated by quarter-final winner 1
 - 5 represents third man defeated by quarter-final winner 1
 - 10 represents first man defeated by quarter-final winner 9
 - 11 represents second man defeated by quarter-final winner 9
 - 13 represents third man defeated by quarter-final winner 9
 - 25 represents loser of championship semi-final in lower half of bracket.
- Loser of consolation final (1) places fourth.
 Losers of consolation semi-finals (5 and 29) compete for fifth place;
 Loser of this bout places sixth.
 Losers of consolation quarter-finals (13 and 21) compete for seventh place;
 Loser of this bout places eighth.

CHAMPIONSHIP

CONSOLATION

Contestants Eligible for Third Place Matches SECTION 18. a. Immediately after completion of the first quarterfinal match in each weight, consolation rounds shall start among all contestants defeated by the winner of this quarterfinal match. At the conclusion of the championship semifinals, the losers of those semifinals shall be cross-bracketed into the consolation semifinals (See b. following.)

CONDUCT OF MATCHES AND TOURNAMENTS

After completion of the second, third and fourth quarter-final matches in the same weight, the same plan shall be followed as indicated in the preceding paragraph.

- b. Consolation matches to determine third place and subsequent places shall be conducted in accordance with the original first round drawings. Therefore, those eligible for the third place consolations should be matched in the order in which they were defeated by the semifinalists in this quarter-bracket.

The winner of the consolation matches involving eligible wrestlers from the first quarter-bracket should be matched with the winner of the consolation matches involving eligible wrestlers from the second quarter-bracket. The winner of this match should be paired with the loser of the championship semifinal bout in the *lower half* of the bracket (cross-bracketing) in the consolation semifinals. The same procedure should be followed with the consolation winners from the third and fourth quarters, the winner being matched against the semifinal loser from the *upper half*.

The eligible contestants are designated in a. of this section.

- c. In the event two wrestlers who have competed against each other previously in the tournament are paired again for either third place or for fifth place, the matches shall be wrestled and scored as if they had not met previously.

Example

SECTION 19. Referring to the Graphic Illustration on WR-26, those eligible for the third-place rounds are 2, 3 and 5 from the first quarter; 10, 11 and 13 from the second quarter and 25 as the loser of the championship semifinal in the lower half; plus 18, 20 and 21 from the third quarter; 26, 28 and 29 from the fourth quarter and 1 as the loser of the championship semifinal in the upper half. Only the semifinal losers are cross-bracketed.

We will assume that 2 wins from 3 and 5 wins from 2; that 10 wins from 11 and 13 wins from 10, that 18 wins from 20 and 21 wins from 18; that 26 wins from 28 and 29 wins from 26.

5 then wins from 13 and is matched in the consolation semifinals against 25. 29 wins from 21 and is matched in the consola-

tion semifinals against 1. The winners of the consolation semifinals compete for third and fourth places and the losers compete for fifth and sixth places.

All third-place, fifth-place and seventh-place matches shall be conducted prior to the first-place championship matches.

Rule 5

SCORING

SECTION 1. Match scoring must be kept in plain view of spectators, contestants and coaches. It is strongly recommended that a timing device be available and visible for the purpose of recording time-advantage. If a visible timing device is not available, information on time-advantage shall be made available to coaches during the progress of the match by the Timekeeper.

Individual

SECTION 2. In all matches, the contestants are awarded points by the Referee in accordance with the following system:

Takedown (by each wrestler) (2-15)	2 points
Escape (2-4)	1 point
Reversal (2-12)	2 points
Near-Fall (2-10)	2 or 3 points
Time-Advantage (2-16)	1 point for one minute or more of net accumulated time in the advantage position. One point is the maximum to be awarded for the match and this point shall be recorded on the final score.

Rule 6

INFRACTIONS

Misconduct SECTION 1. Misconduct by either wrestler is a technical violation and includes swearing, throwing the headgear or indicating displeasure with a decision. Penalty—One match point awarded to the opponent.

Abusive or Unsportsmanlike Conduct SECTION 2. Abusive or unsportsmanlike conduct during or immediately following a match includes any conduct which interferes with the orderly progress of the match. This includes coaches, contestants, all team personnel (manager, trainer, physician) or spectators. Penalty—Deduct one team point. For spectators the penalty is removal from premises, by home management, without a deduction of a team point from either team.

Flagrant Misconduct SECTION 3. a. Flagrant misconduct, such as striking an opponent or continuing unnecessary roughness, will be penalized by the deduction of one team point and disqualification of the contestant. A contestant so disqualified in tournament competition is not entitled to placement points but will be credited with advancement and fall points earned prior to the incident, with other contestants remaining in their respective position.

b. If the offender is someone other than a contestant (coach, trainer, manager, etc.), the penalty is deduction of one team point and removal from the premises.

INFRACTIONS

Unnecessary Roughness

SECTION 4. Either before, during or following a match, intentional striking, gouging, kicking, hair pulling, butting, elbowing, biting, or an intentional act which endangers life or limb shall be penalized. (See Penalty Chart, Note 2.)

Foreign Substance On Skin

SECTION 5. The use of oil or greasy substances which cannot be completely removed shall be grounds for disqualification at the discretion of the Referee. Time out for the removal of such foreign substances shall be cumulative with the time out for injuries throughout the match. The total time out shall not exceed three minutes. (See 7-5.)

NOTE—This provision is applicable when contact lens are dislodged or lost during a match.

Holds

Illegal

SECTION 6. Any hold shall be allowed except the hammerlock above the right angle; the twisting hammerlock; full nelson; front headlock without the arm; headlock without the arm; the straight head scissors (even though the arm is included); over-scissors; strangle holds; all body slames; twisting knee lock; key lock; overhead double arm bar; the bending, twisting or forcing of the head or any limb beyond its normal limits of movement; locking the hands behind the back in a double arm bar from the neutral position; full back supplay from a rear standing position and any hold used for punishment alone. (See Illustrations Nos. 9 through 41.)

NOTES

1. Contestants may grasp all four fingers in an effort to break a hold, but pulling back the thumb, or one, two or three fingers, is illegal.

2. The term "slam" is interpreted as lifting and bringing an opponent to the mat with unnecessary roughness. This infraction may be committed by a contestant in either the top or bottom position on the mat as well as during a takedown. When a contestant lifts his opponent off the mat and brings him forcibly to the mat with the upper half of the body coming in contact with the mat first, a slam will be called. A forceful trip may be considered as unnecessary roughness. A slam shall be called without hesitation following the situation occurring.
3. An intentional drill or forceful fall-back is illegal when the defensive wrestler is in a standing position and the offensive wrestler has a scissor hold or a cross body ride.
4. A leg hooked over the top toe of an opponent's straight body scissors is interpreted as an over-scissor and therefore illegal.
5. *A wrestler applying a legal hold should not be penalized when his opponent turns the legal hold into an illegal hold.* The Referee shall cause the hold to be released if there is a danger of injury. However, the match need not be stopped unless the Referee finds it necessary to do so in order to correct the situation.
6. *Whenever possible, an illegal hold should be prevented rather than called.*
7. The three-quarter nelson is not to be interpreted as a headlock.
8. Pulling the head over the shoulder with hands locked or overlapped is not to be interpreted as a headlock.
9. The double arm bar is legal while in a neutral position if hands are locked at the side. (See Illustration 21.)

**Potentially
Dangerous**

SECTION 7. The double wristlock, toe hold, chicken wing, split scissor, guillotine, when being applied with the limb forced beyond normal range of movement, and other holds which may cause injury when used legally are considered potentially dangerous holds. (See Illustrations Nos. 10, 11, 20, 29, and 33.)

Contestants should know the dangers of these holds and the blocks for them. The Referee should anticipate danger of injury from these holds and be in position to block them before they reach the danger point. Furthermore, all Referees, coaches and contestants should understand that any and all holds used in such a way as to endanger life or limb are illegal and all Referees should verbally caution contestants against forcing a potentially dangerous hold into an illegal position.

The chicken wing is a legal but potentially dangerous hold. When the hand of the defensive wrestler goes behind the back

with parallel pressure to the long axis of the body, it becomes a twisting hammerlock and is illegal. (See Illustrations Nos. 30, 31, 32 and 33.) The double wristlock and chicken wing become illegal when forced into a twisting hammerlock position, as in the case of applying the force parallel instead of perpendicular to the long axis of the body.

No contestant should ever be put in a position where he must forfeit a neutral position, a position of advantage or a fall because of an injury or danger to life or limb. The Referee should promptly stop any and all holds which in his opinion are for punishment alone. If a legitimate hold is forced to such an extent as to endanger a contestant, or if it becomes a punishing hold, the Referee shall stop the match and require the hold to be broken. No penalty points should be awarded. The match shall be resumed in the neutral or starting position on the mat as determined by the position held at the time the match was stopped.

Any holds over the mouth, nose, eyes or front of the throat shall not be permitted. Pressure from the side of the hand, forearm or wrist is considered a hold and therefore barred when used on the mouth, nose, eyes or front of the throat. Forcing such a hold may be considered unnecessary roughness, depending on the intent of the act as determined by the Referee, and shall be penalized accordingly. (See Illustrations Nos. 36 through 40.)

Technical Violations

Stalling

SECTION 8. a. It is the responsibility of contestants, officials and coaches to avoid the use of stalling tactics or allowing the use thereof. Action is to be maintained throughout the match by the contestants making an honest attempt to stay in the circle and wrestle aggressively whether on the top, bottom or neutral positions. This concept shall be demonstrated by those responsible with strict enforcement by officials. A stalling penalty is preceded by a warning and there shall be only one warning per contestant per match.

When an official *recognizes* stalling occurring at any time and in any position, he will warn the offender and thereafter violations will be penalized when stalling recurs. *These provisions require the Referee to penalize stalling without hesitation.*

- b. *Holding Legs*—Repeatedly grasping or interlocking hands around a leg resulting in a stalemate situation, in any position, is to be considered stalling. It is stalling when the wrestler in the advantage position on the mat grasps the defensive wrestler's leg or legs with both hands or arms unless such action is designed to break his adversary down for the purpose of securing a fall or to prevent an escape or reversal. *Repeatedly grasping and holding the leg or legs with both hands or arms merely to break the defensive wrestler down or to keep him under control is a violation under this rule.* When the defensive wrestler has gained his feet, the wrestler in the advantage position is allowed reaction time to begin his breakdown when he is holding a leg or legs with both hands or arms.
- c. *Neutral Position*—Each wrestler must make an honest attempt to stay within the 10-foot (3.4 m) circle and maintain an attack to secure a takedown *regardless of the time or score of the match.* A contestant who continually avoids contact with his opponent is stalling. A contestant may leave the circle to maneuver for position provided he continues his attempt to gain a takedown and make an effort to work back into the circle.
- d. *Edge Violation*—In the neutral position when the wrestler(s) is/are near the edge of the mat, the official shall call "Edge" and the wrestler(s) must attempt to move back toward the center of the mat or be called for Edge Violation. Blocking the movement back toward the center of the mat is also a violation. If a takedown is in progress near the edge of the mat, "Edge" will not be called. After a verbal caution, the Edge Violation will be treated as stalling. The Referee shall stop the match to give the verbal caution.

NOTE—The command "edge" may be called any number of times so long as it is obeyed. Otherwise a. visual caution; b. stalling sequences will be followed i. warning for stalling. If man has been warned, a point is assessed.

- e. *Advantage Position*—The contestant in the advantage position on the mat shall make an honest attempt to secure a fall. In-

INFRACTIONS

tentionally releasing an opponent is not considered stalling. The released wrestler is to be allowed reaction time before a takedown can be attempted. The responsibility to improve the position in the rear standing position lies with the offensive wrestler. Failure to attempt to take your man back to the mat should be treated as stalling.

- f. *Defensive Position*—Refusing to wrestle aggressively in the defensive position is stalling and shall be penalized as a technical violation. Referee will give both visual and verbal warning *without stopping* the match. (See Penalty Chart.)

NOTE—When there is no action in the mat position, the responsibility for initiating action rests with both wrestlers.

- g. *Delaying Match*—Delaying the match such as straggling back from out-of-bounds, unnecessarily changing or adjusting equipment, is stalling and shall be penalized as stalling.

**Interlocking
Hands**

SECTION 9. The wrestler in the position of advantage may not interlock or overlap his hands, fingers or arms around his opponent's body or both legs unless his opponent has all of his weight supported entirely on his feet or he has him in a pinning situation. The mere touching of the defensive wrestler's hands to the mat is not considered a change in this position unless the hands are used as support parts, in which case, the offensive wrestler is allowed reaction time to release the lock. It is unsportsmanlike for the defensive wrestler to touch his hands or one knee to the mat in order to release the offensive wrestler's lock and the Referee shall not call a violation if the lock is held in such cases. (See Illustrations Nos. 41 through 44 and Fig. 17.)

NOTE—The Referee shall not stop action when signaling the violation when the defensive man is in the process of a reversal or escape. The defensive man is allowed to complete the reversal or escape provided he does so in a continuous manner. If the defensive man fails to complete the reversal or escape after an opportunity to do so, the Referee shall stop the match and award the penalty. (See Penalty Chart and Fig. 16.)

**Leaving Mat
Without
Permission**

SECTION 10. It is a technical violation to leave the mat without first receiving permission to do so from the Referee.

**False Starts &
Starting
Positions**

SECTION 11. Assuming incorrect starting position and making false starts are technical violations. The sequence of penalty will be:

- a. Visual caution, signified by a C, formed by the forefinger and thumb.
- b. A penalty point.

**Going Off
The Mat**

SECTION 12. Going off the mat or forcing his opponent off the mat any time by either wrestler, as a means of avoiding wrestling, is a technical violation. Such points will not be awarded in situations where near-fall points are earned.

**Grasping
Clothing**

SECTION 13. Grasping of clothing, mat or mat cover or headgear by a contestant is prohibited, and any advantage gained thereby shall be nullified. Grasping clothing to prevent or gain an escape, reversal, takedown or fall is a technical violation.

NOTE—(Treat same as Note under Sec. 9.)

Rule 7

PENALTIES AND WARNINGS, INJURIES AND DEFAULTS

Penalties and Warnings

Penalty Chart

SECTION 1. The infractions of the rules are penalized in accordance with the penalties as listed on the Penalty Chart.

Indicating Infractions

SECTION 2. When indicating an infraction, the Referee shall stop the match, except when warning and penalizing the defensive wrestler for stalling, give the hand signal to indicate the points or warnings (Figs. 13 and 14) and announce the penalty so the contestants, scorers, coaches and spectators are aware of the infraction.

Coaching Injured Contestant

SECTION 3. Any coaching to the injured contestant during injury time out shall be a technical violation. During injury time out, both wrestlers shall remain on the mat. The Referee shall position himself near the injured wrestler. The coach of the injured wrestler may approach his wrestler, but any verbal communication (other than that regarding the injury) shall be interpreted by the Referee as coaching. The coach of the non-injured wrestler may communicate with his wrestler.

Warnings and Sequence of Penalties

SECTION 4. The Penalty Chart indicates the sequence of warnings and penalties and they are accumulative throughout the match.

Injuries and Defaults

Time-Out

SECTION 5. a. An injured contestant is entitled to a maximum time-out of three minutes which is cumulative throughout the match, including the overtime. There shall be no limit to the number of time-out periods which may be taken in any match, but the total time-out shall not exceed three minutes. If, at the expiration of the time-out, he is able to continue wrestling, the match shall be resumed as if the contestants had gone out-of-bounds.

- b. Nose bleed or any other excessive bleeding shall be interpreted as an injury and shall be treated as an injury time-out without the recording of time. The number and length of time-out periods for such bleeding is left to the discretion of the Referee.

Unconscious

SECTION 6. If a contestant is rendered unconscious, he shall not be permitted to continue after regaining consciousness without the approval of a physician. If the injured contestant is unable to continue wrestling, the match shall be awarded in accordance with Secs. 7 and 8 of this rule.

Accidental Injury

SECTION 7. If a contestant is accidentally injured and is unable to continue the match, his opponent shall be awarded the match by default.

Injury from Illegal Action

SECTION 8. If a contestant is injured by any illegal action to the extent that he is unable to continue following a maximum of three minutes rest, the match shall be defaulted to the injured contestant. In case of an intentional attempt to injure an opponent, the offender shall be disqualified. Time-out for injury because of an illegal hold *does not count* against an injured wrestler's injury time. (Max. three minutes.) (See 6-3, and Penalty Chart for Flagrant Misconduct.)

Attendants During Time-Out

SECTION 9. No more than two attendants and a physician shall be permitted on the mat with the wrestler during time-out.

(See 4-4). (See Referees' Signals).

REMINDER:

The number of penalties are accumulative throughout match.

*Note 1—Disqualification due to technical violation, illegal holds, or less flagrant unnecessary roughness does not

eliminate a contestant from further competition in tournaments. Disqualification for any other reason eliminates a contestant from further competition in tournaments.

*•Note 2—Points for unnecessary roughness may be awarded in addition to points earned.

EXAMPLE—Wrestler "A" in first period locks hands — penalty, 1 pt. Second period, he uses illegal hold — penalty, 1 pt. Later in second period he is warned for stalling. In third period, he is called for stalling again — penalty, 2 pts. Later in third period he locks his hands — penalty, disqualification.

Nos. 1 and 2—FRONT AND REAR VIEW OF SHIRT AND UNIFORM
 This shows front and rear view of official shirt. Any shirt with more exposure is illegal.

No. 3—TOUCH START (Sight Handicapped)
 Each contestant shall have fingers of one hand over and the fingers of the other hand under his opponent's fingers. Fingers shall not extend beyond the knuckles.

Nos. 4 and 5—STARTING POSITION

As required in Rule 2, Sec. 14, a and b. (Note starting lines, Rule 1, Sec. 6.)

Nos. 6 and 7—CONTROL

Illustration demonstrates control following allowance for reaction time.

No. 8—CONTROL
 illustration demonstrates possible control by controlling the top leg.

No. 9—ILLEGAL HAMMERLOCK (ABOVE RIGHT ANGLE)

The hammerlock is a legal hold, provided the arm is not bent above the right angle (i.e., provided that the arm is not carried above the small of the back); and provided, further, that the hand is not forced out away from the body, making it a twisting hammerlock. In this illustration the arm is carried distinctly above the right angle and is illegal.

→
 No. 10—ILLEGAL DOUBLE WRISTLOCK ON THE MAT
This cut shows double wristlock turned into a typical twisting hammerlock that will injure opponent's shoulder if the arm is forced upward, unless opponent turns with the pressure, which often he is unable to do promptly enough to prevent injury to the shoulder.

←
 No. 11—LEGAL DOUBLE WRISTLOCK ON THE MAT
The double wristlock on the mat is legal if the direction of the force is perpendicular to the long axis of the body.

→
**No. 12—ILLEGAL FRONT
 HEAD LOCK**

Illustration shows how the front head lock is used to counter a leg pickup. This hold is dangerous and is illegal.

←
**No. 13—ILLEGAL HEAD-
 SCISSORS**
This straight scissors on the head is illegal.

→
**No. 14—LEGAL HEAD-
 SCISSORS (FIGURE 4
 HEAD-SCISSORS)**

The figure 4 Head-Scissor is considered legal when taken as shown, with the hold on either side of the face.

←
**No. 15—OVER-SCISSORS
 (AN ILLEGAL HOLD)**
The over-scissors is barred entirely under these rules because it is only a punishing hold and is of no value unless defensive contestant who uses it is allowed to force the hold, which thereby endangers the ankle and knee of his opponent.

→
**No. 16—STRAIGHT
 BODY SCISSORS—
 LEGAL HOLD**

**Nos. 17a and 17b—ILLEGAL
 TWISTING KNEE LOCK**
This shows a twisting knee lock. It is an illegal hold (Rule 6, Section 6). The Referee should anticipate the danger of injury from this hold and be in a position to block it before it reaches the danger point. (See Rule 6, Sec. 6, Note 6.)

Nos. 18a and 18b—TWISTING KNEE LOCK
Twisting knee lock pressure against the normal movement of the knee joint as illustrated constitutes an illegal hold.

No. 19—LEGAL TAKEDOWN
A takedown is to be awarded in this situation. The supporting points of the man securing the takedown are his toes and they are in bounds. If his knees had touched out of bounds, they would be out of bounds.

No. 20a- LEGAL FOOT
(IN-STEP) HOLD →

The defensive wrestler may grasp the instep, heel or ankle in his effort to escape, providing the pressure is not such as to endanger the ankle, knee or hip joint.

← No. 20b-TOE HOLD

This is a potentially dangerous hold.

No. 21-LEGAL (left) and ILLEGAL (right) DOUBLE ARM BAR
Locking hands behind the back in a double arm bar from neutral position. Note that the double arm bar is legal when hands are locked at side (under armpit).

No. 22—ILLEGAL HEAD LOCK
Locking the arm around the head.

No. 23—LEGAL HEAD LOCK
Opponent's arm is included in the lock.

No. 24—A LEGAL HOLD
Pulling the head over the shoulder with hands locked or overlapped.

No. 25—THREE-QUARTER NELSON
A LEGAL HOLD

No. 26—ILLEGAL HAND POSITION

This shows an illegal position of hand and wrist on the throat. Also, a form of stalling.

No. 27—ILLEGAL FULL NELSON

The top man may not apply the full nelson.

←
No. 28—LEGAL GUILLOTINE
Arm is locked around oppo-
nent's head or neck.

No. 29—POTENTIALLY DAN-
GEROUS GUILLOTINE
When applying the guillotine, forc-
ing the arm beyond normal range
of movement parallel to the long
axis of the body is to be interpret-
ed as potentially dangerous.

No. 30—ILLEGAL OVER-
HEAD DOUBLE ARM BAR
This hold is illegal when used
as shown below either with or
without the scissors and
applied with either one or both
arms.

No. 31—LEGAL CHICKEN WING
No evidence of illegal pressure or twisting hammerlock.

No. 32—ILLEGAL CHICKEN WING
Pressure (force) parallel to the long axis, regardless of whether defensive wrestler's hand is in front or back, makes this an illegal hold.

No. 33—POTENTIALLY DANGEROUS CHICKEN WING
While pressure (force) is neither parallel nor perpendicular to defensive wrestler's long axis, possible twisting hammerlock causes hold to become potentially dangerous.

No. 34—LEGAL CHICKEN WING
This illustrates a legal chicken wing showing the hand held in front of the body.

No. 35—LEGAL BLOCKING ON FACE (ON CHIN)

Blocking on chin or forehead is legal.

No. 36—ILLEGAL BLOCKING ON FACE (ON FACE PROPER)
This form of blocking is illegal because it is over mouth, nose and eyes, in contrast to position in No. 35.

No. 37—A LEGAL CROSS FACE
It is an effective and legal block for the double leg pick-up.

No. 38—LEGAL HEAD PRY. *The top man can use this pry as long as he includes the arm or shoulder.*

No. 40—ILLEGAL (above) and LEGAL (below) FACE HOLD

No. 39—NEAR FALL. *A near fall can be scored here if criteria are met.*

←

No. 41—INTERLOCKING OF HANDS AROUND THE BODY

A Technical Violation. Offensive wrestler is not allowed to lock (overlap) hands, fingers, wrists or arms around body while defensive wrestler is supported by parts other than his feet.

No. 42—LEGAL USE OF THE HANDS IN WAIST-LOCK

This shows the legal use of the hands of the top man. The defensive contestant's supporting parts, except feet, are clearly off the mat.

→

←

No. 43—LEGAL USE OF HANDS IN BODYLOCK

This complete bodylock is legal because defensive wrestler is in a standing position. This hold would be a technical violation if defensive wrestler had one or both knees on the mat.

No. 44—INTERLOCKING OF HANDS AROUND LEG
This position is a technical violation.

No. 45—INTERLOCKING
HANDS

It is unsportsmanlike for the defensive wrestler to touch his hands or one knee to the mat in order to release the offensive wrestler's lock and the Referee shall not call a violation if the lock is held in such cases.

This would be an illegal lock if the defensive wrestler had started on the mat and had not gained his feet yet.

Referees' Signals

The signals illustrated on the following pages are standard for wrestling Referees throughout the nation. It is the duty of every Referee to know these signals in order to give them instantly and clearly so that the wrestlers, timers, scorers and spectators are aware of what is taking place during the progress of the match.

The Use of the Whistle

SECTION 1. The whistle should be held ready for immediate use at all times during the match.

→
Fig. 1—Shaking Hands and Stepping Back. After the officials indicate they are ready at the table, the Referee directs the wrestlers to shake hands, step back to their designated areas, and be ready to wrestle when the whistle sounds.

Fig. 2—Designating The Position Of The Wrestlers Before The Start Of The Match. As the wrestlers come onto the mat, the Referee points to the areas they are to take on the circle (green for the home team, red for the visiting team). He next points one hand toward the timers and scorers to verify their readiness. Note—After an out-of-bounds, wrestlers return to designated areas. The Referee raises his hand forward between two wrestlers. After a momentary pause to make certain the wrestlers are ready, he sounds his whistle and simultaneously moves his hand as a signal for the wrestlers to go into action.

Figs. 3, 4 (below left) and 5 (below right)—Resuming The Match In The Starting Position On The Mat. The Referee can move to any position when starting the wrestlers, and is encouraged to be out of view of the wrestlers. The Referee may give a preparatory command such as "Get Set" or "ready." When the wrestlers are in proper positions (Rule 2, Sec. 14) and after a momentary pause the Referee sounds his whistle and moves his hand to start the action.

HIGH SCHOOL MODIFICATION

The Referee is to stay in front of the wrestlers.

Fig. 6—Stopping The Match For Out-Of-Bounds. When the contestants are out-of-bounds (Rule 2, Sec. 8) the Referee stops the match and extends both arms horizontally to the same side toward the out-of-bounds. The Referee places himself in the most advantageous position to determine the out-of-bounds and stops the match immediately when the out-of-bounds occurs.

Fig. 7—Stopping The Match. The Referee blows his whistle and extends his hand to stop the match.

Fig. 8—Edge Call. Wrestlers must move toward center immediately, man cannot move laterally to block opponents return to center.

Fig. 9—Declaring A Neutral Position Standing After Out-Of-Bounds. When the contestants are out-of-bounds (Rule 2, Sec. 8) and neither is in an advantage position, the Referee stops the match as in Fig. 5 and signals a Neutral position. The upper arms are front horizontal, both forearms are vertical and the hands are extended upward.

Fig. 10—Indicating A Neutral Position During A Scrimmage For A Take-Down. Both arms are extended sideward slightly below the horizontal with the palms of the hands down. The Referee moves his hands back and forth bringing them together and moving them away while verbally announcing "no advantage."

Fig. 11—Indicating A Caution. This is not a warning but a visual caution.

Fig. 12—Indicating Retention Of Advantage. Whenever there is any doubt as to the contestant in the advantage position, the Referee should indicate the contestant in the advantage position by pointing to him with one hand. The Referee will keep his other hand down and along his leg so that there will be no confusion as to whether any points are awarded.

Fig. 13—Awarding Points. One arm and index finger are pointed at the wrestler receiving the points. At the same time the Referee verbally announces the award and the name of the team receiving it as he raises his opposite arm to a near vertical position, indicating with extended fingers the number of points awarded.

Fig. 14—Warning And Indicating A Violation. The match is stopped. The index finger of one hand is pointed to the violator. At the same time the Referee verbally announces the penalty and raises the opposite arm with his fist doubled to indicate the "warning" or penalty.
Note—For "warning" and penalizing defensive stalling the match is not stopped.

←
Fig. 15—Scoring A Near Fall. The Referee gets down on the mat in a prone position for the best view of the defensive contestant's back while at the same time trying to keep out of the way of the contestants. The Referee does not signal a score for a "near-fall" until the pinning situation is ended. (Rule 2, Sec. 10) After the situation is finished the Referee extends one arm upward indicating with the fingers the number of points awarded as he directs the index finger of his other hand toward the contestant receiving the points.

→
Fig. 16—Calling A Fall. When the fall (Rule 2, Sec. 5) is imminent the Referee raises one hand about 10 inches. As soon as the fall is completed he quickly strikes the mat with the palm and verbally announces "Fall." The Referee is not to put his hands under the back of the defensive wrestler unless his view of the shoulders is blocked by one or both contestants and it is absolutely necessary for him to feel the back on the mat in order to call the fall (Rule 8, Sec. 3i.)

←
Fig. 17—Interlocking Hands, Or Grasping Clothing, During An Escape Maneuver (Rule 8, Sec. 9 a. When the bottom contestant is in the process of an escape or reversal and the contestant on top locks his hands or grasps the clothing to prevent the maneuver, the Referee indicates the violation by clasping his hands over his head. This signal stops the advantage time for the top contestant, and indicates the violation has occurred but the Referee is allowing the bottom contestant an opportunity to complete the action providing he does so in one continuous maneuver. If the maneuver is successful, bottom contestant gains neutral or top position, the Referee signals the points and the match continues with no interruption. If the bottom contestant fails to complete the maneuver the Referee stops the match and awards the penalty. (See Penalty Chart.)

Fig. 18—Preventing An Illegal Hold. (Rule 6, Sec. 6 & Rule 8, Sec. 3g.) The Referee anticipates a potentially dangerous hold and gets in position to block it before it becomes dangerous. He may also verbally caution the contestant against forcing a potentially dangerous hold into an illegal hold.

Fig. 19—Calling Time Out. The match is stopped as in Fig. 6. If there is to be a delay in resuming the match, the Referee will indicate "time-out" by extending one hand in a vertical position at right angles to his chest with the ends of the fingers touching the palm of the other hand which is extended in a horizontal position in front of the chest. The Referee announces to the scorers the reason for the time out and to whom it is charged.

Fig. 20—Calling A Stalemate Situation. The match is stopped as in Fig. 6. Then the Referee indicates the reason for stopping the match as a stalemate by placing the arms on the chest in a bent position with the fists closed as indicated at the right.

Fig. 21—Indicating A Potentially Dangerous Hold.

Fig. 22—Indicating An Illegal Hold.

←
Fig. 23—Indicating Stalling By Defensive Wrestler. Match continues.

→
Fig. 24—Declaring The Winner. (Rule 8, Sec. 3k) At the end of the match the Referee orders the wrestlers to shake hands and raises arm of the winning wrestler.

←
Fig. 25—Declaring A Draw. In case of a tie score at the end of the match in dual meets, the contestants will shake hands and the Referee will raise a hand of each of the contestants.

Coaches Code of Ethics

It is the moral obligation of every Collegiate Wrestling Coach to conduct himself in such a way as to reflect credit upon his institution, his profession and himself. Moral obligation and ethical conduct are part of the winning and losing. Good sportsmanship, pride, honor and concern for the welfare of the competitor should be placed before all else. The rules have been established in the spirit of the above statement.
